DISCLOSURE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus contains, and the documents incorporated by reference herein may contain, forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, or the Securities Act, and Section 21E of the Exchange Act. These forward looking statements represent our goals and actual results or outcomes may differ materially from those expressed or implied. Such forward-looking statements are subject to certain risks, uncertainties and assumptions that include, but are not limited to, expected earnings and cash flows, future growth and financial performance. Forward-looking statements typically can be identified by the use of words such as “will,” “expect,” “estimate,” “anticipate,” “forecast,” “plan,” “believe” and similar terms. Although we believe that our expectations are reasonable, we can give no assurance that these expectations will prove to have been correct, and actual results may vary materially.

Factors that could cause our actual results or outcomes to differ materially from those discussed in the forward-looking statements are disclosed under “Risk Factors” in our periodic reports, in any prospectus supplements relating to specific offerings of securities and in other documents that we file with the SEC. Some of the factors that could cause our actual results or outcomes to differ materially from those discussed in the forward-looking statements include, but are not limited to:

with respect to our packaging segments:

with respect to the company as a whole:

- those factors listed above;
- changes in senior management;
- successful or unsuccessful acquisitions and divestitures;
- regulatory action or issues including tax, environmental, health and workplace safety, including

U.S. FDA and other actions or public concerns affecting products filled in our containers, or chemicals or substances used in raw materials or in the manufacturing process;

- technological developments and innovations;
- litigation;
- strikes;
- labor cost changes;
- rates of return on assets of the company's defined benefit retirement plans;
- pension changes;
- uncertainties surrounding the U.S. government budget, sequestration and debt limit;

- successful or unsuccessful acquisitions and divestitures, including, with respect to the proposed Rexam PLC (Rexam) acquisition, the effect of the announcement of the acquisition on Ball's business relationships, operating results and business generally;
- the occurrence of any event or other circumstances that could give rise to the termination of our definitive agreement with Rexam in respect of the acquisition;
- the outcome of any legal proceedings that may be instituted against Ball related to the definitive agreement with Rexam; and
- the failure to satisfy conditions to completion of the acquisition of Rexam, including the receipt of all required regulatory approvals.

If we are unable to achieve our goals, then our actual performance could vary materially from the goals we have expressed or implied in the forward-looking statements. We caution you that the foregoing list of important factors may not contain all of the material factors that are important to you. In light of these risks and uncertainties, the matters referred to in the forward-looking statements contained in this prospectus may not in fact occur. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the SEC, we undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

USE OF PROCEEDS

We intend to use the net proceeds from the sales of the securities offered by us as set forth in the applicable prospectus supplement.

DESCRIPTION OF DEBT SECURITIES AND GUARANTEES

We may offer secured or unsecured debt securities, which may be convertible. Our debt securities and any related guarantees will be issued under an indenture, dated March 27, 2006, between us and The Bank of New York Mellon Trust Company, N.A. (formerly known as The Bank of New York Trust Company, N.A.), as trustee. The debt securities will be structurally subordinated to all existing and future liabilities, including trade payables, of our subsidiaries that do not guarantee the debt securities, and the claims of creditors of those subsidiaries, including trade creditors, will have priority as to the assets and cash flows of those subsidiaries.

We have summarized certain general features of the debt securities from the indenture. A copy of the indenture is attached as an exhibit to the registration statement of which this prospectus forms a part. The following description of the terms of the debt securities and the guarantees sets forth certain general terms and provisions. The particular terms of the debt securities and guarantees offered by any prospectus supplement and the extent, if any, to which such general provisions may apply to the debt securities and guarantees will be described in the related prospectus supplement. Accordingly, for a description of the terms of a particular issue of debt securities, reference must be made to both the related prospectus supplement and to the following description.

General

The aggregate principal amount of debt securities that may be issued under the indenture is unlimited. The debt securities may be issued in one or more series as may be authorized from time to time.

Reference is made to the applicable prospectus supplement for the following terms of the debt securities (if applicable):

- title and aggregate principal amount;
- whether the securities will be senior or subordinated;
- applicable subordination provisions, if any;
- whether securities issued by us will be entitled to the benefits of the guarantees or any other form of guarantee;
- conversion or exchange into other securities;
- whether securities issued by us will be secured or unsecured, and if secured, what the collateral will consist of;
- percentage or percentages of principal amount at which such securities will be issued;
- maturity date(s);
- interest rate(s) or the method for determining the interest rate(s);
- dates on which interest will accrue or the method for determining dates on which interest will accrue and dates on which interest will be payable;
- redemption (including upon a “change of control”) or early repayment provisions;
- authorized denominations;
- form;
- amount of discount or premium, if any, with which such securities will be issued;
- whether such securities will be issued in whole or in part in the form of one or more global

- securities;
- identity of the depositary for global securities;
- whether a temporary security is to be issued with respect to such series and whether any interest payable prior to the issuance of definitive securities of the series will be credited to the account of the persons entitled thereto;
- the terms upon which beneficial interests in a temporary global security may be exchanged in whole or in part for beneficial interests in a definitive global security or for individual definitive securities;
- conversion or exchange features;
- any covenants applicable to the particular debt securities being issued;
- any defaults and events of default applicable to the particular debt securities being issued;
- currency, currencies or currency units in which the purchase price for, the principal of and any premium and any interest on, such securities will be payable;
- time period within which, the manner in which and the terms and conditions upon which the purchaser of the securities can select the payment currency;
- securities exchange(s) on which the securities will be listed, if any;

- whether any underwriter(s) will act as market maker(s) for the securities;
- extent to which a secondary market for the securities is expected to develop;
- additions to or changes in the events of default with respect to the securities and any change in the right of the trustee or the holders to declare the principal, premium and interest with respect to such securities to be due and payable;
- provisions relating to covenant defeasance and legal defeasance;
- provisions relating to satisfaction and discharge of the indenture;
- provisions relating to the modification of the indenture both with and without the consent of holders of debt securities issued under the indenture; and
- additional terms not inconsistent with the provisions of the indenture.

One or more series of debt securities may be sold at a substantial discount below their stated principal amount, bearing no interest or interest at a rate which at the time of issuance is below market rates. One or more series of debt securities may be variable rate debt securities that may be exchanged for fixed rate debt securities.

United States federal income tax consequences and special considerations, if any, applicable to any such series will be described in the applicable prospectus supplement.

Debt securities may be issued where the amount of principal and/or interest payable is determined by reference to one or more currency exchange rates, commodity prices, equity indices or other factors. Holders of such securities may receive a principal amount or a payment of interest that is greater than or less than the amount of principal or interest otherwise payable on such dates, depending upon the value of the applicable currencies, commodities, equity indices or other factors. Information as to the methods for determining the amount of principal or interest, if any, payable on any date, the currencies, commodities, equity indices or other factors to which the amount payable on such date is linked and certain additional United States federal income tax considerations will be set forth in the applicable prospectus supplement.

[Table of Contents](#)

The term “debt securities” includes debt securities denominated in U.S. dollars or, if specified in the applicable prospectus supplement, in any other freely transferable currency or units based on or relating to foreign currencies.

We expect most debt securities to be issued in fully registered form without coupons and in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. Subject to the limitations provided in the indenture and in the prospectus supplement, debt securities that are issued in registered form may be transferred or exchanged at the office of the trustee maintained in the Borough of Manhattan, The City of New York or the principal corporate trust office of the trustee, without the payment of any service charge, other than any tax or other governmental charge payable in connection therewith.

Guarantees

Any debt securities may be guaranteed by one or more of our direct or indirect subsidiaries. Each prospectus supplement will describe any guarantees for the benefit of the series of debt securities to which it relates, including required financial information of the subsidiary guarantors, as applicable.

Global Securities

The debt securities of a series may be issued in whole or in part in the form of one or more global securities that will be deposited with, or on behalf of, a depositary (the “depositary”) identified in the prospectus supplement. Global securities will be issued in registered form and in either temporary or definitive form. Unless and until it is exchanged in whole or in part for the individual debt securities, a global security may not be transferred except as a whole by the depositary for such global security to a nominee of such depositary or by a nominee of such depositary to such depositary or another nominee of such depositary or by such depositary or any such nominee to a successor of such depositary or a nominee of such successor. The specific terms of the depositary arrangement with respect to any debt securities of a series and the rights of and limitations upon owners of beneficial interests in a global security will be described in the applicable prospectus supplement.

Governing Law

The indenture, the debt securities and the guarantees shall be construed in accordance with and governed by the laws of the State of New York, without giving effect to the principles thereof relating to conflicts of law.

DESCRIPTION OF CAPITAL STOCK

The following is a description of certain material terms of our amended articles of incorporation, our bylaws and our rights plan and of certain provisions of Indiana law. The following summary does not purport to be complete and is qualified in its entirety by reference to our amended articles of incorporation, our bylaw and our rights plans, copies of which are incorporated by reference as exhibits to the registration statement of which this prospectus forms a part, and the relevant provisions of Indiana law.

General

Our authorized capital structure consists of:

- 550,000,000 shares of common stock, without par value; and
- 15,000,000 shares of preferred stock, without par value, including 550,000 authorized shares of Series A Junior Participating Preferred Stock.

As of May 31, 2015, there were 137,854,297 shares of common stock and no shares of preferred stock issued and outstanding.

Common Stock

Voting

The holders of our common stock are entitled to one vote for each share held of record on each matter submitted to a vote of shareholders, including the election of directors, and do not have any right to cumulate votes in the election of directors.

Dividends

Subject to the rights and preferences of the holders of any series of preferred stock which may at the time be outstanding, holders of our common stock are entitled to such dividends as our board of directors may declare out of funds legally available.

Liquidation Rights

In the event of any liquidation, dissolution or winding-up of our affairs, after payment of all of our debts and liabilities and subject to the rights and preferences of the holders of any series of our preferred stock, the holders of our common stock will be entitled to receive the distribution of any of our remaining assets.

Other matters

Holders of our common stock have no conversion, preemptive or other subscription rights and there are no redemption rights or sinking fund provisions with respect to the common stock.

Preferred Stock

We are authorized to issue up to 15,000,000 shares of preferred stock in one or more series. Our amended articles of incorporation authorize our board of directors to determine and state the designations and the relative rights (including, if any, conversion rights, participation rights, voting rights, dividend rights and stated, redemption and liquidation values), preferences, limitations and restrictions of each unissued series. All shares of preferred stock of the same series must be identical with each other in all respects. Our board may authorize the issuance of preferred stock with voting or conversion rights that could adversely affect the voting power or other rights of the holders of our common stock.

When we issue preferred stock, we will provide specific information about the particular class or series being offered in a prospectus supplement. This information will include some or all of the following:

10

[Table of Contents](#)

- the title or designation of the series;
- the number of shares to be included in the series;
- whether dividends, if any, will be cumulative or noncumulative and the dividend rate of the series;
- the conditions upon which and the dates at which dividends, if any, will be payable, and the relation that such dividends, if any, will bear to the dividends payable on any other class or classes of stock;
- the redemption rights and price or prices, if any, for shares of the series and at whose option such redemption may occur, and any limitations, restrictions or conditions on such redemption;
- the terms and amounts of any sinking fund provided for the purchase or redemption of shares of the series;
- the amounts payable on and the preferences, if any, of shares of the series, in the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of Ball Corporation;
- whether the preferred stock being offered will be listed on any securities exchange;
- if necessary, a discussion of certain federal income tax considerations applicable to the preferred stock being offered;
- the voting rights, in addition to the voting rights provided by law, if any, of the holders of shares of such series; and
- any other relative rights, preferences, limitations and powers not inconsistent with applicable law or our articles of incorporation or our bylaws then in effect.

Upon issuance, the shares of preferred stock will be fully paid and nonassessable, which means that its holders will have paid their purchase price in full and we may not require them to pay additional funds.

Certain Anti-Takeover Matters

Certain provisions of our amended articles of incorporation and our bylaws, as well as certain provisions of the Indiana Business Corporation Law, may have the effect of encouraging persons considering unsolicited tender offers or other unilateral takeover proposals to negotiate with our board of directors rather than pursue non-negotiated takeover attempts. These provisions include:

Classified Board of Directors

The Indiana Business Corporation Law was amended effective July 1, 2009, to require every corporation that has a class of voting shares registered with the SEC under Section 12 of the Exchange Act to maintain a classified board structure whereby its directors are elected for staggered terms in office. Corporations that were publicly-held at the time the classified board mandate became effective had until July 31, 2009, to amend their bylaws to elect not to be subject to this requirement. We did not amend our bylaws within the prescribed time and, accordingly, we are required to maintain our current classified board structure. Our amended articles of incorporation and bylaws

provide for a board of directors consisting of nine members, divided into three classes, as nearly equal in number as possible, with directors serving staggered three-year terms. Subject to the right of holders of any series of preferred stock to elect directors, shareholders elect one class constituting approximately one-third of the board of directors for a three-year term at each annual meeting of shareholders. As a result, at least two annual meetings of shareholders may be required for the shareholders to change a majority of the board of directors.

The classification of directors makes it more difficult to change the composition of the board of directors and instead promotes a continuity of existing management.

[Table of Contents](#)

Removal of Directors Only for Cause; Filling Vacancies

Our amended articles of incorporation provide that, subject to the right of holders of any series of preferred stock to elect directors, any director may be removed from office, but only for cause and only by the affirmative vote of the holders of at least 75% of the combined voting power of the outstanding shares of our capital stock entitled to vote generally in the election of directors. Our amended articles of incorporation also provide that, subject to the right of holders of any series of preferred stock to elect directors, any newly created directorships resulting from an increase in the number of directors and any vacancy on the board shall be filled by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum. Any director elected in accordance with the preceding sentence will hold office for the remainder of the full term of the class of directors in which the new directorship was created or the vacancy occurred and until such director's successor shall have been elected and qualified. No decrease in the number of directors constituting the board of directors shall shorten the term of any incumbent director.

The director removal and vacancy provisions restrict the ability of a third party to remove incumbent directors and simultaneously gain control of the board of directors by filling the vacancies created by removal with its own nominees.

Advance Notice Requirements

Our bylaws set forth advance notice procedures with regard to shareholder nomination of candidates for election as directors and shareholder proposals of business to be presented at annual meetings of shareholders. These procedures provide that notice of such shareholder nominations or proposals must be given timely in proper written form to the Secretary of Ball Corporation prior to the meeting at which the shareholder nominee or such business is to be considered. Generally, to be timely, notice must be received at our principal executive offices not less than 90 days nor more than 120 days prior to the meeting. To be in proper written form, the notice must contain the information required by our bylaws, including information regarding the proposal and the proponent. The advance notice requirements may have the effect of discouraging a potential acquiror from conducting a proxy contest to elect directors or otherwise attempting to influence or gain control of our company.

Special Meetings of Shareholders

Our bylaws do not grant shareholders the right to call a special meeting of shareholders. Under our bylaws, special meetings of shareholders may be called only by our chairman of the board or by the board of directors or as otherwise may be required by law.

Restrictions on Certain Related Party Business Combination Transactions

In order to approve certain business combination transactions involving related parties, our amended articles of incorporation require the affirmative vote of the holders of at least 75% of the then outstanding shares of our capital stock entitled to vote generally in the election of directors. These related party business combination transactions include:

- any merger or consolidation of us or any of our subsidiaries with (1) any related party or (2) any other person or entity who or which is, or after such merger or consolidation would be, an affiliate or associate of the related party;
- any sale, lease, exchange, mortgage, pledge, transfer or other disposition to any related party or an affiliate or associate of a related party of any assets of Ball Corporation or any of our subsidiaries having an aggregate fair market value of \$10,000,000 or more;
- any issuance or transfer by us or any of our subsidiaries of any securities having an aggregate fair market value of \$10,000,000 or more of Ball Corporation or any of our subsidiaries to any related party or an affiliate or associate of a related party in exchange for cash, securities or property (or combination thereof);
- the adoption of any plan or proposal for the liquidation or dissolution of us proposed by or on behalf of a related party or an affiliate or associate of a related party;

[Table of Contents](#)

- any reclassification of securities or recapitalization of us, or any merger or consolidation of us with any of our subsidiaries or any other transaction that has the effect, either directly or indirectly, of increasing the proportionate share of the outstanding shares of any class of equity or convertible securities of us or any of our subsidiaries that is directly or indirectly owned by any related party or an affiliate or associate of a related party; or
- any agreement, contract or other arrangement providing for any one or more of the transactions mentioned above.

A related party is a person or entity who or which (1) is the beneficial owner of more than 10% of the voting power of our outstanding capital stock entitled to vote generally in the election of directors; or (2) is one of our affiliates or associates and at any time within the two-year period immediately prior to the date in question was the beneficial owner of 10% or more of the voting power of our outstanding capital stock entitled to vote generally in the election of directors; or (3) is an assignee of or has otherwise succeeded to any shares of our voting stock that were at any time within the two-year period immediately prior to the date in question beneficially owned by any related party, if such assignment or succession shall have occurred in the course of a transaction not involving a public offering within the meaning of the Securities Act.

The supermajority voting requirement does not apply, however, if:

- the related party business combination transaction is approved by a majority of directors who are unaffiliated with the related party and who were directors before such person or entity became a related party; or

specified price, form of consideration and procedural requirements have been met.

Amendment of Articles and Bylaws

Our amended articles of incorporation require the affirmative vote of the holders of at least 75% of the voting power of the outstanding shares of our capital stock entitled to vote generally in the election of directors to alter, amend, repeal or adopt any provision inconsistent with certain provisions of our amended articles of incorporation, including those described above. Our bylaws may be altered, added to, amended or repealed only by our board of directors. Shareholders do not have this authority.

Rights Plan Provisions

On July 26, 2006, our board of directors declared a dividend of one right for each outstanding share of our common stock to shareholders of record at the close of business on August 7, 2006 and the attachment of one right for each subsequently issued share of common stock. Each right entitles the holder to purchase one one-thousandth of a share of Series A Junior Participating Preferred Stock at an exercise price of \$185 per right. As a result of the two-for-one split of our common stock in February 2011, each right attaching to a share has automatically split so that one-half of a right is currently attached to each outstanding share of our common stock, and one-half of a right attaches to each newly-issued share of our common stock. The description and terms of the rights are set forth in a Rights Agreement, dated as of July 26, 2006, between us and Computershare Investor Services LLC, as rights agent, as amended.

Generally, if a person or group acquires 10% or more (or, in the case of certain passive investors, 15% or more) of our outstanding common stock, or upon occurrence of certain other events, the rights (other than those held by the acquiring person) become exercisable and generally entitle the holder to purchase shares of our common stock at a 50% discount. Generally, certain passive investors who do not state an intention (or reserve the right) to control or influence the Company's management or policies may continue to acquire up to 15% of the Company's common stock under certain circumstances. The rights, which expire in August 6, 2016, are redeemable by us at a redemption price of \$0.01 per right.

The rights have certain anti-takeover effects. The rights will cause substantial dilution to a person or group that attempts to acquire our company in certain circumstances. Accordingly, the existence of the rights may deter certain acquirors from making takeover proposals or tender offers. However, the rights are not intended to prevent a

[Table of Contents](#)

takeover, but rather are designed to enhance the ability of the board of directors to negotiate with a potential acquiror on behalf of all of the shareholders.

Indiana Business Combinations Statute

We are subject to Chapter 43, the Business Combinations Chapter, of the Indiana Business Corporation Law. Our bylaws provide that Chapter 42, the Control Share Acquisition Chapter, of the Indiana Business Corporation Law shall not apply to control share acquisitions of shares of our capital stock.

Subject to exceptions set forth in the Business Combinations Chapter, that Chapter prohibits an Indiana corporation from engaging in certain business combination transactions, including transactions similar to the related party business combination transactions described above, with any interested shareholder for a period of five years following the date that the shareholder first became an interested shareholder, unless the business combination or the purchase of shares made by the interested shareholder on such date is approved by the board of directors of the corporation prior to such date. If prior approval of the board of directors is not obtained, several price and procedural requirements must be met before the business combination may be completed.

In general, the Business Combinations Chapter defines an interested shareholder as any person who or which (1) is the beneficial owner of 10% or more of the voting power of the outstanding voting shares of the corporation or (2) is an affiliate or associate of the corporation and at any time within the five year period immediately before the date in question was the beneficial owner of 10% or more of the voting power of the then outstanding shares of the corporation.

Transfer Agent

The transfer agent and registrar for our common stock is Computershare Trust Company.

RATIOS OF EARNINGS TO FIXED CHARGES AND TO COMBINED FIXED CHARGES AND PREFERENCE DIVIDENDS

The following table sets forth our ratio of earnings to fixed charges for the periods indicated. No shares of our Preferred Stock were outstanding during such periods. Accordingly, the ratio of earnings to combined fixed charges and preference dividends is not separately stated from the ratio of earnings to fixed charges.

	For the Three Months Ended March 31, 2015	Year Ended December 31,				
		2014	2013	2012	2011	2010
Ratio of Earnings to Fixed Charges(1)	1.2x	3.9x	3.4x	3.7x	4.2x	4.4x

- (1) The ratio of earnings to fixed charges is calculated by dividing earnings, as defined below, by fixed charges, as defined below. For this purpose, "earnings" consist of earnings before taxes (a) plus amortization of capitalized interest, distributed income of equity investees and fixed charges (b) less interest capitalized, and "fixed charges" consist of interest expensed and capitalized as well as interest expense within rent. Interest for unrecognized tax benefits related to uncertain tax positions has not been included in the calculations.

Item 15. Indemnification of Directors and Officers

The following summary is qualified in its entirety by reference to the complete text of the statute, the amended articles of incorporation and the bylaws referred to below.

Ball Corporation is empowered by Chapter 37 of the Indiana Business Corporation Law (the “IBCL”), subject to the procedures and limitations therein, to indemnify any person against expenses (including attorneys’ fees) and the obligation to pay a judgment, settlement, penalty, fine or reasonable expenses incurred with respect to a threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative and whether formal or informal, in which such person is made a party because such person is or was a director, officer, employee or agent of Ball Corporation if his or her conduct was in good faith and he or she reasonably believed that, if acting in the individual’s official capacity, the conduct was in the best interests of the corporation and in all other cases, the conduct was not opposed to the corporation’s best interests. In the case of any criminal proceeding, Ball Corporation is empowered to indemnify a person if he or she had reasonable cause to believe the conduct was lawful or had no reasonable cause to believe the conduct was unlawful. The statute provides that indemnification pursuant to its provisions is not exclusive of other rights of indemnification to which a person may be entitled under a corporation’s articles of incorporation or bylaws, resolution of the board of directors or of the shareholders, or otherwise. In addition, unless limited by its articles of incorporation, a corporation shall indemnify a director or officer who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director or officer was a party because he or she is or was a director or officer of the corporation against reasonable expenses incurred by him or her in connection with the proceeding. A corporation has the power to purchase and maintain insurance on behalf of any of the persons described above against any liability asserted against or incurred by such person in any of the capacities described above, or arising out of such person’s status as such, whether or not the corporation would have the power to indemnify such person against such liability under the IBCL.

Article XII, Section B of Ball Corporation’s amended articles of incorporation obligates Ball Corporation to indemnify any person in connection with any liability arising by reason of such person’s status as a past or present director, officer or employee of Ball Corporation or of any other enterprise which he or she is serving or served in any

II-1

[Table of Contents](#)

capacity at the request of Ball Corporation if such person is determined to have met the standard of conduct specified in Section 8 of Chapter 37 of the IBCL; provided, however, there shall be no indemnification (a) as to amounts paid or payable to Ball Corporation or such other enterprise for or based upon the person having gained in fact any personal profit or advantage to which he or she was not legally entitled; (b) as to amounts paid or payable to Ball Corporation for an accounting of profits in fact made from the purchase or sale of securities of Ball Corporation within the meaning of Section 16(b) of the Securities Exchange Act of 1934 and amendments thereto or similar provisions of any state statutory law; or (c) with respect to matters as to which indemnification would be in contravention of the laws of the State of Indiana or of the United States of America whether as a matter of public policy or pursuant to statutory provisions. In addition, any person who has been wholly successful with respect to any proceeding of the type described above is entitled to indemnification as of right.

Article 5, Section A of Ball Corporation’s bylaws provides that Ball Corporation shall indemnify any person made a party to a proceeding because he is or was a director or officer of the corporation against liability incurred in connection with a proceeding to the fullest extent permitted by the IBCL. The termination of a proceeding by judgment, order, settlement, or conviction, or upon plea of nolo contendere or its equivalent is not, of itself, determinative that the director or officer did not meet the standard of conduct set forth in the IBCL. The bylaws additionally provide that any person who has been wholly successful with respect to any proceeding of the type described above is entitled to indemnification as of right.

The directors and officers of Ball Corporation and its subsidiaries are insured (subject to certain exceptions and deductions) against liabilities which they may incur in their capacity as such, including liabilities under the Securities Act, under liability insurance policies maintained by Ball Corporation.

Item 17. Undertakings

The undersigned registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

[Table of Contents](#)

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(d) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by a registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(e) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the registrant undertakes that in a primary offering of securities of the registrant pursuant to this registration statement, regardless of the underwriting method used to sell the

securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the registrant or used or referred to by the registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about an undersigned registrant or its securities provided by or on behalf of an undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by an undersigned registrant to the purchaser.
- (f) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (g) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid

II-4

[Table of Contents](#)

by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, that the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

Re: Ball Corporation
 Registration Statement on Form S-3

Ladies and Gentlemen:

I am General Counsel of Ball Corporation, an Indiana corporation (the "Company"), and have acted as counsel to the Company in connection with the automatic registration statement on Form S-3 (the "Registration Statement") to be filed on the date hereof by the Company and the guarantors listed on Schedule I hereto (collectively, the "Guarantors") with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"). The Registration Statement relates to the issuance and sale by the Company from time to time, pursuant to Rule 415 of the General Rules and Regulations of the Commission promulgated under the Securities Act (the "Rules and Regulations"), of the following securities: (i) shares of common stock, without par value, of the Company (the "Common Stock"), together with any related Rights (as defined in the Rights Agreement, dated as of July 26, 2006 (the "Rights Agreement"), by and between the Company and Computershare Investor Services, LLC (the "Rights Agent")) (the "Rights"); (ii) shares of the preferred stock, without par value, of the Company (the "Preferred Stock"), which may be issued in one or more series; (iii) debt securities of the Company (the "Debt Securities"), which may be issued in one or more series under the Indenture, dated March 27, 2006 (the "Indenture"), by and between the Company and The Bank of New York Mellon Trust Company, N.A. (formerly known as The Bank of New York Trust Company, N.A.), as trustee (the "Trustee"), which is filed as an exhibit to the Registration Statement; (iv) warrants to purchase shares of Common Stock, shares of Preferred Stock or Debt Securities (the "Warrants"), which may be issued pursuant to one or more warrant agreements (each, a "Warrant Agreement") proposed to be entered into by the Company and one or more warrant agents to be named therein (each, a "Warrant Agent") and (v) such indeterminate number of shares of Common Stock (together with any related Rights) or Preferred Stock and amount of Debt Securities as may be issued upon conversion, exchange or exercise, as applicable, of any Preferred Stock, Debt Securities or Warrants, including such shares of Common Stock (including any related Rights) or Preferred Stock as may be issued pursuant to anti-dilution adjustments determined at the time of offer (collectively, "Indeterminate Securities"). The Registration Statement also relates to the issuance and sale from time to time by the Guarantors of guarantees of the Debt Securities (the "Guarantees"). The Common Stock, the Rights, the Preferred Stock, Debt Securities, the Warrants, the Indeterminate Securities and the Guarantees offered pursuant to the Registration Statement are collectively referred to herein as the "Securities."

This opinion is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act.

In rendering the opinions stated herein, I have examined and relied upon the following:

- (a) the Registration Statement;
- (b) an executed copy of the Indenture;
- (c) a copy of the certificate of incorporation of the Company (the "Articles") and of each of the other Opinion Parties that are corporations, as certified by the applicable secretary of state;
- (d) a copy of the bylaws of the Company (the "Bylaws") and of each of the other Opinion Parties that are corporations;
- (e) a copy of the certificate of formation of each of the Opinion Parties that are limited liability companies, as certified by the applicable secretary of state;
- (f) a copy of the limited liability company agreement or operating agreement of each of the Opinion Parties that are limited liability companies;
- (g) a copy of certain resolutions adopted by the board of directors or other governing body, as applicable, of each Opinion Party relating to the Registration Statement and the registration of the Securities and related matters;
- (h) the Rights Agreement; and
- (i) a specimen certificate evidencing the Common Stock.

I have also examined originals or copies, certified or otherwise identified to my satisfaction, of such records of the Company and the Guarantors and such agreements, certificates and receipts of public officials, certificates of officers or other representatives of the Company and the Guarantors and others, and such other documents as I have deemed necessary or appropriate as a basis for the opinions stated below.

In my examination, I have assumed the genuineness of all signatures including endorsements, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as facsimile, electronic, certified or photostatic copies, and the authenticity of the originals of such copies. As to any facts relevant to the opinions stated herein that I did not independently establish or verify, I have relied upon statements and representations of officers and other representatives of the Company and the Guarantors and others and of public officials.

My opinions set forth below are limited to the corporate laws of the States of Delaware, Indiana and Colorado and those laws of the State of New York that, in my experience, are normally applicable to transactions of the type contemplated by the Indenture and the Registration Statement and, to the extent that judicial or regulatory orders or decrees or consents, approvals, licenses, authorizations, validations, filings, recordings or registrations with governmental authorities are relevant, to those required under such laws (all of the foregoing

being referred to as “Opined on Law”). I do not express any opinion as to the effect of any law (other than Opined on Law) on the opinions herein stated. I am a member of the Bar in the State of Colorado, and I have relied as to matters of Indiana law on the opinion of Robert W. McClelland, Associate General Counsel of the Company, dated the date hereof and to be filed as Exhibit 5.2 to the Registration Statement, and I have relied as to matters of New York law on the opinion of Skadden, Arps, Slate, Meagher & Flom LLP dated the date hereof and to be filed as Exhibit 5.3 to the Registration Statement. The Securities may be issued from time to time on a delayed or continuous basis, and this opinion is limited to the laws, including the rules and regulations, as in effect on the date hereof, which laws are subject to change with possible retroactive effect.

As used herein, (i) “Opinion Parties” means the Company and each of the Guarantors listed on Schedule II hereto and “Non-Opinion Party” means each of the Guarantors listed on Schedule III hereto and (ii) “Transaction Agreements” means the Indenture and the supplemental indentures thereto, the Guarantees, the Rights Agreement and the Warrant Agreements.

Based upon the foregoing and subject to the qualifications and assumptions stated herein, I am of the opinion that:

(1) With respect to any series of Debt Securities offered by the Company, including any Indeterminate Securities constituting Debt Securities of such series (the “Offered Debt Securities”), when (i) the Registration Statement (including all necessary post-effective amendments) has become effective under the Securities Act and the Indenture has been qualified under the Trust Indenture Act of 1939; (ii) an appropriate prospectus supplement or term sheet with respect to the Offered Debt Securities has been prepared, delivered and filed in compliance with the Securities Act and the applicable Rules and Regulations; (iii) if the Offered Debt Securities are to be sold pursuant to a firm commitment underwritten offering, the underwriting agreement with respect to the Offered Debt Securities has been duly authorized, executed and delivered by the Company and the other parties thereto; (iv) the Indenture and any supplemental indenture thereto establishing the terms of the Offered Debt Securities has been duly authorized, executed and delivered by the Company and any other parties thereto; (v) the Board of Directors of the Company, including any appropriate committee appointed thereby, and appropriate officers of the Company have taken all necessary corporate action to approve the issuance, sale and terms of the Offered Debt Securities and related matters in conformity with the Indenture and any such supplemental indenture thereto; (vi) the terms of the Offered Debt Securities and of their issuance and sale have been duly established in conformity with the Indenture and any supplemental indenture thereto establishing the terms of such Offered Debt Securities so as not to violate any applicable law, the Certificate of Incorporation and By-Laws of the Company as then in effect or result in a default under or breach of any agreement or instrument binding upon the Company, and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company; and (viii) the certificates evidencing the Offered Debt Securities have been issued in a form that complies with the provisions of the Indenture and any supplemental indenture thereto establishing the terms of such Offered Debt Securities and have been duly executed and authenticated in accordance with the provisions of the Indenture and any such supplemental indenture thereto and duly delivered to the purchasers

3

thereof upon payment of the agreed-upon consideration therefor, the Offered Debt Securities, when issued and sold or otherwise distributed in accordance with the Indenture and such supplemental indenture thereto and the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding agreement, will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms under the laws of the State of New York.

(2) With respect to any Guarantee offered by any Guarantor of any series of Offered Debt Securities, including any Guarantee of any Indeterminate Securities constituting Debt Securities of such series (the “Offered Guarantees”), when (i) the Registration Statement (including all necessary post-effective amendments) has become effective under the Securities Act; (ii) an appropriate prospectus supplement or term sheet with respect to the Offered Debt Securities and the Offered Guarantees has been prepared, delivered and filed in compliance with the Securities Act and the applicable Rules and Regulations; (iii) if the Offered Guarantees are to be sold pursuant to a firm commitment underwritten offering, the underwriting agreement with respect to the Offered Debt Securities and the Offered Guarantees has been duly authorized, executed and delivered by the Company, the Guarantors and the other parties thereto; (iv) the Indenture and any supplemental indenture thereto establishing the terms of the Offered Debt Securities and the Offered Guarantees has been duly authorized, executed and delivered by the Company, the Guarantors and any other parties thereto; (v) the board of directors, the board of managers and the sole member, as applicable, of such Guarantor, including any appropriate committee appointed thereby, and appropriate officers of such Guarantor have taken all necessary corporate or limited liability company, respectively, action to approve the issuance, sale and terms of the Offered Guarantees and related matters in conformity with the Indenture and any such supplemental indenture thereto; (vi) the terms of the Offered Guarantees and of their issuance and sale have been duly established in conformity with the Indenture and any supplemental indenture thereto establishing the terms of such Offered Guarantees so as not to violate any applicable law, the certificate of incorporation, certificate of formation, bylaws, and limited liability company agreement, as applicable, of such Guarantor as then in effect or result in a default under or breach of any agreement or instrument binding upon such Guarantor, and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over such Guarantor; and (viii) the Offered Guarantees have been duly executed and delivered in accordance with the provisions of the Indenture and any such supplemental indenture thereto and duly issued in accordance with the Indenture and such supplemental indenture thereto and the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding agreement, the Offered Guarantees will constitute valid and binding obligations of such Guarantor, enforceable against such Guarantor in accordance with their respective terms under the laws of the State of New York.

(3) With respect to any shares of Common Stock to be offered by the Company, including any Indeterminate Securities constituting Common Stock (the “Offered Common Shares”), when (a) the Registration Statement (including all necessary post-effective amendments) has become effective under the Securities Act; (b) an appropriate prospectus supplement or term sheet with respect to the Offered Common Shares has been prepared, delivered and filed in compliance with the Securities Act and the Rules and Regulations; (c) if

4

the Offered Common Shares are to be sold pursuant to a firm commitment underwritten offering, an underwriting agreement with respect to the Offered Common Shares has been duly authorized, executed and delivered by the Company and the other parties thereto; (d) the Board of Directors of the Company, including any appropriate committee appointed thereby, and appropriate officers of the Company have taken all necessary corporate action to approve the issuance and terms of the Offered Common Shares, the consideration to be received therefor and related matters; (e) the terms of the issuance and sale of the Offered Common Shares have been duly established in conformity with the Articles (as then in effect) and Bylaws (as then in effect); and (f) certificates in the form required under the Indiana Business Corporation Law, as amended (the “IBCL”), representing the Offered Common Shares are duly executed, countersigned, registered and delivered upon payment of the agreed-upon consideration therefor, the Offered Common Shares (including any shares of Common Stock duly issued upon conversion, exchange or exercise of any Securities), when issued and sold in accordance with the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding purchase or agency agreement, will be duly authorized, validly issued, fully paid and nonassessable, provided that the consideration therefor is not less than the par value thereof, if any. In rendering the opinion set forth in this Paragraph 3, I have assumed that, at the time of issuance of any Offered Common Shares, (i) the Articles, the Bylaws and the IBCL shall not have been amended after the date hereof so as to affect the validity of such issuance and (ii) there shall be sufficient shares of Common Stock authorized under the Articles (as then in effect) and not otherwise reserved for issuance. In connection with my opinion set forth in the last sentence of this paragraph 3, I have assumed that the Board of Directors of the Company has acted in a manner consistent with its fiduciary duties as required under applicable law in adopting the Rights Agreement. Moreover, this opinion addresses corporate governance procedures in connection with the issuance of the Rights associated with the Offered Common Shares and the Secondary Shares, and not any particular provision of the Rights or the Rights Agreement. Additionally, I note that: (A) the determination a court of competent jurisdiction may make regarding whether the Board of Directors of the Company

would be required to redeem or terminate, or take other action with respect to, the Rights at some future time will depend upon the facts and circumstances existing at that time and, accordingly, is beyond the scope of such opinion and (B) it should be understood that this opinion addresses the Rights and the Rights Agreement in their entirety, and it is not settled whether the invalidity of any particular provision of a rights agreement or of rights issued thereunder would result in invalidating such rights in their entirety. Assuming that the Rights Agreement has been duly authorized, executed and delivered by the Rights Agent, then, when the Registration Statement has become effective under the Securities Act and the shares of Common Stock to which the Rights relate have been validly issued and sold as contemplated by the Registration Statement, the Rights attributable to such Common Stock will be validly issued.

(4) With respect to the shares of any series of Preferred Stock to be offered by the Company, including any Indeterminate Securities constituting shares of Preferred Stock of such series (the "Offered Preferred Shares"), when (a) the Registration Statement (including all necessary post-effective amendments) has become effective under the Securities Act; (b) an appropriate prospectus supplement or term sheet with respect to the Offered Preferred Shares has been prepared, delivered and filed in compliance with the Securities Act and the applicable Rules

5

and Regulations; (c) if the Offered Preferred Shares are to be sold pursuant to a firm commitment underwritten offering, an underwriting agreement with respect to the Offered Preferred Shares has been duly authorized, executed and delivered by the Company and the other parties thereto; (d) the Board of Directors of the Company, including any appropriate committee appointed thereby, and appropriate officers of the Company have taken all necessary corporate action to approve the issuance and terms of the Offered Preferred Shares, the consideration to be received therefor and related matters, including the adoption of a articles of amendment to the Articles for such Offered Preferred Shares (the "Designation Amendment") in accordance with the applicable provisions of the IBCL; (e) the filing of the Designation Amendment with the Secretary of State of the State of Indiana has duly occurred; (f) the terms of the Offered Preferred Shares and of their issuance and sale have been duly established in conformity with the Articles (as then in effect), including the Designation Amendment relating to the Offered Preferred Shares, and the Bylaws (as then in effect); and (g) certificates in the form required under the IBCL representing the Offered Preferred Shares are duly executed, countersigned, registered and delivered upon payment of the agreed-upon consideration therefor, the Offered Preferred Shares (including any shares of Preferred Stock duly issued upon conversion, exchange or exercise of any Securities), when issued and sold in accordance with the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding purchase or agency agreement, will be duly authorized, validly issued, fully paid and nonassessable, provided that the consideration therefor is not less than the par value thereof, if any. In rendering the opinion set forth in this Paragraph 4, I have assumed that, at the time of issuance of any Offered Preferred Shares, (i) the Articles, the Bylaws and the IBCL shall not have been amended after the date hereof so as to affect the validity of such issuance and (ii) there shall be sufficient shares of Preferred Stock authorized under the Articles (as then in effect) and not otherwise reserved for issuance.

(5) With respect to any Warrants to be offered by the Company, including any Indeterminate Securities constituting Warrants (the "Offered Warrants"), when (a) the Registration Statement (including all necessary post-effective amendments) has become effective under the Securities Act; (b) an appropriate prospectus supplement or term sheet with respect to the Offered Warrants has been prepared, delivered and filed in compliance with the Securities Act and the applicable Rules and Regulations; (c) if the Offered Warrants are to be sold pursuant to a firm commitment underwritten offering, an underwriting agreement with respect to the Offered Warrants has been duly authorized, executed and delivered by the Company and the other parties thereto; (d) the Offered Warrants and the Securities of the Company into which the Offered Warrants are exercisable have been duly authorized by the Board of Directors of the Company (or a duly authorized committee thereof); (e) the Board of Directors of the Company, including any appropriate committee appointed thereby, and appropriate officers of the Company have taken all necessary corporate action to approve the issuance and terms of the Offered Warrants, the Securities of the Company into which the Offered Warrants are exercisable, the consideration to be received therefor and related matters; (f) a warrant agreement relating to the Offered Warrants (the "Warrant Agreement") has been duly authorized, executed and delivered by the Company and the other parties thereto; (g) the terms of the Offered Warrants and of their issuance and sale have been duly established in conformity with the Articles (as then in effect), the Bylaws (as then in effect) and the Warrant Agreement; and (h) the Offered Warrants are duly

6

executed, countersigned and registered in accordance with the Warrant Agreement and duly delivered upon payment of the agreed-upon consideration therefor in the manner contemplated in the Registration Statement or any prospectus supplement or term sheet relating thereto, the Offered Warrants, when issued and sold in accordance with the applicable Warrant Agreement and the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding purchase or agency agreement, will be valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms.

The opinions stated herein are subject to the following qualifications:

(1) the opinions stated herein are limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer, preference and other similar laws affecting creditors' rights generally, and by general principles of equity (regardless of whether enforcement is sought in equity or at law);

(2) I do not express any opinion with respect to any law, rule or regulation that is applicable to any party to any of the Transaction Agreements or the transactions contemplated thereby solely because such law, rule or regulation is part of a regulatory regime applicable to any such party or any of its affiliates as a result of the specific assets or business operations of such party or such affiliates;

(3) except to the extent expressly stated in the opinions contained herein with respect to the Opinion Parties, I have assumed that each of the Transaction Agreements constitutes the valid and binding obligation of each party to such Transaction Agreement, enforceable against such party in accordance with its terms;

(4) I do not express any opinion with respect to the enforceability of any provision contained in any Transaction Agreement relating to any indemnification, contribution, exculpation, release or waiver that may be contrary to public policy or violative of federal or state securities laws, rules or regulations;

(5) I do not express any opinion with respect to the enforceability of any provision of any Transaction Agreement to the extent that such section purports to bind any Opinion Party to the exclusive jurisdiction of any particular federal court or courts;

(6) I call to your attention that irrespective of the agreement of the parties to any Transaction Agreement, a court may decline to hear a case on grounds of forum non conveniens or other doctrine limiting the availability of such court as a forum for resolution of disputes; in addition, I call to your attention that I do not express any opinion with respect to the subject matter jurisdiction of the federal courts of the United States of America in any action arising out of or relating to any Transaction Agreement;

(7) I have assumed that the choice of New York law to govern the Indenture, any supplemental indenture thereto and the Guarantees is a valid and legal provision, and that the choice of Indiana law to govern the Rights Agreement and the Rights is a valid and legal provision;

7

(8) I have assumed any Debt Securities that may be issued will be manually authenticated, signed or countersigned, as the case may be, by duly authorized officers of any Trustee;

(9) I do not express any opinion with respect to the enforceability of applicable provisions contained in the Offered Guarantees, the Indenture and the supplemental indentures thereto to the extent that such provisions provide that the obligations of the Guarantors are absolute and unconditional irrespective of the enforceability or genuineness of the Indenture or the effect thereof on the opinions herein stated;

(10) I do not express any opinion with respect to the enforceability of the provisions contained in the Offered Guarantees, the Indenture and the supplemental indentures thereto to the extent that such provisions limit the obligation of the Guarantors under the Indenture or any right of contribution of any party with respect to the obligations under the Indenture; and

(11) to the extent that any opinion relates to the enforceability of the choice of New York law and choice of New York forum provisions contained in any Transaction Agreement, the opinions stated herein are subject to the qualification that such enforceability may be subject to, in each case, (i) the exceptions and limitations in New York General Obligations Law sections 5-1401 and 5-1402 and (ii) principles of comity or constitutionality.

In addition, in rendering the foregoing opinions I have assumed that:

(a) each Non-Opinion Party (i) is duly incorporated or formed, as applicable, and is validly existing and in good standing, (ii) has requisite legal status and legal capacity under the laws of the jurisdiction of its organization or formation, as applicable, and (iii) has complied and will comply with all aspects of the laws of the jurisdiction of its organization or formation, as applicable, in connection with the transactions contemplated by, and the performance of its obligations under, the Transaction Agreements to which such Non-Opinion Party is a party;

(b) each Non-Opinion Party has the corporate or limited liability company, as applicable, power and authority to execute, deliver and perform all its obligations under each of the Transaction Agreements to which such Non-Opinion Party is a party;

(c) neither the execution and delivery by the Company and each Guarantor of the Transaction Agreements to which the Company or such Guarantor is a party nor the consummation by the Company and such Guarantor of the transactions contemplated thereby, including the issuance and sale of the applicable Securities: (i) conflicts or will conflict with the certificate of incorporation, certificate of formation, bylaws or limited liability company agreement, as applicable, of the Company or any Guarantor, (ii) constitutes or will constitute a violation of, or a default under, any lease, indenture, instrument or other agreement to which the Company or any Guarantor or its property is subject, (iii) contravenes or will contravene any order or decree of any governmental authority to which the Company or any Guarantor or its property is subject, or (iv) violates or will violate any law, rule or regulation to which the Company or any Guarantor or its property is subject (except that I do not make the assumption set forth in this clause (iv) with respect to the Opined-on Law); and

8

(d) neither the execution and delivery by the Company or any Guarantor of the Transaction Agreements to which the Company or such Guarantor is a party nor the consummation by the Company and such Guarantor of the transactions contemplated thereby, including the issuance and sale of the applicable Securities, requires or will require the consent, approval, licensing or authorization of, or any filing, recording or registration with, any governmental authority under any law, rule or regulation of any jurisdiction.

I hereby consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement. I also hereby consent to the use of my name under the heading "Legal Matters" in the prospectus forming part of the Registration Statement. In giving this consent, I do not thereby admit that I am within the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations. This opinion is expressed as of the date hereof unless otherwise expressly stated, and I disclaim any undertaking to advise you of any subsequent changes in the facts stated or assumed herein or of any subsequent changes in applicable laws.

Re: Ball Corporation
 Registration Statement on Form S-3

Dear Mr. Baker:

I am Senior Attorney of Ball Corporation, an Indiana corporation (the "Company"), and have acted as counsel to the Company in connection with the automatic registration statement on Form S-3 (the "Registration Statement") to be filed on the date hereof by the Company and the guarantors listed on Schedule I hereto (collectively, the "Guarantors") with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"). The Registration Statement relates to the issuance and sale by the Company from time to time, pursuant to Rule 415 of the General Rules and Regulations of the Commission promulgated under the Securities Act (the "Rules and Regulations"), of the following securities: (i) shares of common stock, without par value, of the Company (the "Common Stock"), together with any related Rights (as defined in the Rights Agreement, dated as of July 26, 2006 (the "Rights Agreement"), by and between the Company and Computershare Investor Services, LLC (the "Rights Agent") (the "Rights"); (ii) shares of the preferred stock, without par value, of the Company (the "Preferred Stock"), which may be issued in one or more series; (iii) debt securities of the Company (the "Debt Securities"), which may be issued in one or more series under the Indenture, dated March 27, 2006 (the "Indenture"), by and between the Company and The Bank of New York Mellon Trust Company, N.A. (formerly known as The Bank of New York Trust Company, N.A.), as trustee (the "Trustee"), which is filed as an exhibit to the Registration Statement; (iv) warrants to purchase shares of Common Stock, shares of Preferred Stock or Debt Securities (the "Warrants"), which may be issued pursuant to one or more warrant agreements (each, a "Warrant Agreement") proposed to be entered into by the Company and one or more warrant agents to be named therein (each, a "Warrant Agent") and (v) such indeterminate number of shares of Common Stock (together with any related Rights) or Preferred Stock and amount of Debt Securities as may be issued upon conversion, exchange or exercise, as applicable, of any Preferred Stock, Debt Securities or Warrants, including such shares of Common Stock (including any related Rights) or Preferred Stock as may be issued pursuant to anti-dilution adjustments determined at the time of offer (collectively, "Indeterminate Securities"). The Registration Statement also relates to the issuance and sale from time to time by the Guarantors of guarantees of the Debt Securities (the "Guarantees"). The Common Stock, the Rights, the Preferred Stock, Debt Securities, the Warrants, the Indeterminate Securities and the Guarantees offered pursuant to the Registration Statement are collectively referred to herein as the "Securities."

This opinion is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act.

In rendering the opinions stated herein, I have examined and relied upon the following:

- (a) the Registration Statement;
- (b) an executed copy of the Indenture;
- (c) a copy of the certificate of incorporation of the Company (the "Articles") and of the other Opinion Party, as certified by the Secretary of State of the State of Indiana;
- (d) a copy of the bylaws of the Company (the "Bylaws") and of the other Opinion Party;
- (e) a copy of certain resolutions adopted by the board of directors or other governing body, as applicable, of each Opinion Party relating to the Registration Statement and the registration of the Securities and related matters;
- (f) the Rights Agreement; and
- (g) a specimen certificate evidencing the Common Stock.

I have also examined originals or copies, certified or otherwise identified to my satisfaction, of such records of the Company and the Guarantors and such agreements, certificates and receipts of public officials, certificates of officers or other representatives of the Company and the Guarantors and others, and such other documents as I have deemed necessary or appropriate as a basis for the opinions stated below.

In my examination, I have assumed the genuineness of all signatures including endorsements, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as facsimile, electronic, certified or photostatic copies, and the authenticity of the originals of such copies. As to any facts relevant to the opinions stated herein that I did not independently establish or verify, I have relied upon statements and representations of officers and other representatives of the Company and the Guarantors and others and of public officials.

My opinions set forth below are limited to the corporate laws of the States of Indiana and those laws of the State of New York that, in my experience, are normally applicable to transactions of the type contemplated by the Indenture and the Registration Statement and, to the extent that judicial or regulatory orders or decrees or consents, approvals, licenses, authorizations, validations, filings, recordings or registrations with governmental authorities are relevant, to those required under such laws (all of the foregoing being referred to as "Opined on Law"). I do not express any opinion as to the effect of any law (other than Opined on Law) on the opinions herein stated. I am a member of the Bar in the State of Indiana, and I have relied as to matters of New York law on the opinion of Skadden, Arps, Slate, Meagher & Flom LLP dated the date hereof and to be filed as Exhibit 5.3 to the Registration Statement. The Securities may be issued from time to time on a delayed or continuous basis, and this opinion is limited to the laws,

including the rules and regulations, as in effect on the date hereof, which laws are subject to change with possible retroactive effect.

As used herein, (i) "Opinion Parties" means the Company and each of the Guarantors listed on Schedule II hereto and "Non-Opinion Party" means each of the Guarantors listed on Schedule III hereto and (ii) "Transaction Agreements" means the Indenture and the supplemental indentures thereto, the Guarantees, the Rights Agreement and the Warrants.

Based upon the foregoing and subject to the qualifications and assumptions stated herein, I am of the opinion that:

(1) With respect to any series of Debt Securities offered by the Company, including any Indeterminate Securities constituting Debt Securities of such series (the "Offered Debt Securities"), when (i) the Registration Statement (including all necessary post-effective amendments) has become effective under the Securities Act and the Indenture has been qualified under the Trust Indenture Act of 1939; (ii) an appropriate prospectus supplement or term sheet with respect to the Offered Debt Securities has been prepared, delivered and filed in compliance with the Securities Act and the applicable Rules and Regulations; (iii) if the Offered Debt Securities are to be sold pursuant to a firm commitment underwritten offering, the underwriting agreement with respect to the Offered Debt Securities has been duly authorized, executed and delivered by the Company and the other parties thereto; (iv) the Indenture and any supplemental indenture thereto establishing the terms of the Offered Debt Securities has been duly authorized, executed and delivered by the Company and any other parties thereto; (v) the Board of Directors of the Company, including any appropriate committee appointed thereby, and appropriate officers of the Company have taken all necessary corporate action to approve the issuance, sale and terms of the Offered Debt Securities and related matters in conformity with the Indenture and any such supplemental indenture thereto; (vi) the terms of the Offered Debt Securities and of their issuance and sale have been duly established in conformity with the Indenture and any supplemental indenture thereto establishing the terms of such Offered Debt Securities so as not to violate any applicable law, the Certificate of Incorporation and By-Laws of the Company as then in effect or result in a default under or breach of any agreement or instrument binding upon the Company, and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company; and (viii) the certificates evidencing the Offered Debt Securities have been issued in a form that complies with the provisions of the Indenture and any supplemental indenture thereto establishing the terms of such Offered Debt Securities and have been duly executed and authenticated in accordance with the provisions of the Indenture and any such supplemental indenture thereto and duly delivered to the purchasers thereof upon payment of the agreed-upon consideration therefor, the Offered Debt Securities, when issued and sold or otherwise distributed in accordance with the Indenture and such supplemental indenture thereto and the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding agreement, will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms under the laws of the State of New York.

(2) With respect to any Guarantee offered by any Guarantor of any series of Offered Debt Securities, including any Guarantee of any Indeterminate Securities constituting Debt

3

Securities of such series (the "Offered Guarantees"), when (i) the Registration Statement (including all necessary post-effective amendments) has become effective under the Securities Act; (ii) an appropriate prospectus supplement or term sheet with respect to the Offered Debt Securities and the Offered Guarantees has been prepared, delivered and filed in compliance with the Securities Act and the applicable Rules and Regulations; (iii) if the Offered Guarantees are to be sold pursuant to a firm commitment underwritten offering, the underwriting agreement with respect to the Offered Debt Securities and the Offered Guarantees has been duly authorized, executed and delivered by the Company, the Guarantors and the other parties thereto; (iv) the Indenture and any supplemental indenture thereto establishing the terms of the Offered Debt Securities and the Offered Guarantees has been duly authorized, executed and delivered by the Company, the Guarantors and any other parties thereto; (v) the board of directors, the board of managers and the sole member, as applicable, of such Guarantor, including any appropriate committee appointed thereby, and appropriate officers of such Guarantor have taken all necessary corporate or limited liability company, respectively, action to approve the issuance, sale and terms of the Offered Guarantees and related matters in conformity with the Indenture and any such supplemental indenture thereto; (vi) the terms of the Offered Guarantees and of their issuance and sale have been duly established in conformity with the Indenture and any supplemental indenture thereto establishing the terms of such Offered Guarantees so as not to violate any applicable law, the certificate of incorporation, certificate of formation, bylaws, and limited liability company agreement, as applicable, of such Guarantor as then in effect or result in a default under or breach of any agreement or instrument binding upon such Guarantor, and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over such Guarantor; and (viii) the Offered Guarantees have been duly executed and delivered in accordance with the provisions of the Indenture and any such supplemental indenture thereto and duly issued in accordance with the Indenture and such supplemental indenture thereto and the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding agreement, the Offered Guarantees will constitute valid and binding obligations of such Guarantor, enforceable against such Guarantor in accordance with their respective terms under the laws of the State of New York.

(3) With respect to any shares of Common Stock to be offered by the Company, including any Indeterminate Securities constituting Common Stock (the "Offered Common Shares"), when (a) the Registration Statement (including all necessary post-effective amendments) has become effective under the Securities Act; (b) an appropriate prospectus supplement or term sheet with respect to the Offered Common Shares has been prepared, delivered and filed in compliance with the Securities Act and the applicable rules and regulations thereunder; (c) if the Offered Common Shares are to be sold pursuant to a firm commitment underwritten offering, an underwriting agreement with respect to the Offered Common Shares has been duly authorized, executed and delivered by the Company and the other parties thereto; (d) the Board of Directors of the Company, including any appropriate committee appointed thereby, and appropriate officers of the Company have taken all necessary corporate action to approve the issuance and terms of the Offered Common Shares, the consideration to be received therefor and related matters; (e) the terms of the issuance and sale of the Offered Common Shares have been duly established in conformity with the Articles (as then in effect) and Bylaws (as then in effect); and (f) certificates in the form required under the Indiana Business

4

Corporation Law, as amended (the "IBCL"), representing the Offered Common Shares are duly executed, countersigned, registered and delivered upon payment of the agreed-upon consideration therefor, the Offered Common Shares (including any shares of Common Stock duly issued upon conversion, exchange or exercise of any Securities), when issued and sold in accordance with the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding purchase or agency agreement, will be duly authorized, validly issued, fully paid and nonassessable, provided that the consideration therefor is not less than the par value thereof, if any. In rendering the opinion set forth in this Paragraph 3, I have assumed that, at the time of issuance of any Offered Common Shares, (i) the Articles, the Bylaws and the IBCL shall not have been amended after the date hereof so as to affect the validity of such issuance and (ii) there shall be sufficient shares of Common Stock authorized under the Articles (as then in effect) and not otherwise reserved for issuance. In connection with my opinion set forth in the last sentence of this paragraph 3, I have assumed that the Board of Directors of the Company has acted in a manner consistent with its fiduciary duties as required under applicable law in adopting the Rights Agreement. Moreover, this opinion addresses corporate governance procedures in connection with the issuance of the Rights associated with the Offered Common Shares and the Secondary Shares, and not any particular provision of the Rights or the Rights Agreement. Additionally, I note that: (A) the determination a court of competent jurisdiction may make regarding whether the Board of Directors of the Company would be required to redeem or terminate, or take other action with respect to, the Rights at some future time will depend upon the facts and circumstances existing at that time and, accordingly, is beyond the scope of such opinion and (B) it should be understood that this opinion addresses the Rights and the Rights Agreement in their entirety, and it is not settled whether the invalidity of any particular provision of a rights agreement or of rights issued thereunder would result in invalidating such rights in their entirety. Assuming that the Rights Agreement has been duly authorized, executed and delivered by the Rights Agent, then, when the

Registration Statement has become effective under the Securities Act and the shares of Common Stock to which the Rights relate have been validly issued and sold as contemplated by the Registration Statement, the Rights attributable to such Common Stock will be validly issued.

(4) With respect to the shares of any series of Preferred Stock to be offered by the Company, including any Indeterminate Securities constituting shares of Preferred Stock of such series (the "Offered Preferred Shares"), when (a) the Registration Statement (including all necessary post-effective amendments) has become effective under the Securities Act; (b) an appropriate prospectus supplement or term sheet with respect to the Offered Preferred Shares has been prepared, delivered and filed in compliance with the Securities Act and the applicable rules and regulations thereunder; (c) if the Offered Preferred Shares are to be sold pursuant to a firm commitment underwritten offering, an underwriting agreement with respect to the Offered Preferred Shares has been duly authorized, executed and delivered by the Company and the other parties thereto; (d) the Board of Directors of the Company, including any appropriate committee appointed thereby, and appropriate officers of the Company have taken all necessary corporate action to approve the issuance and terms of the Offered Preferred Shares, the consideration to be received therefor and related matters, including the adoption of a articles of amendment to the Articles for such Offered Preferred Shares (the "Designation Amendment") in accordance with the applicable provisions of the IBCL; (e) the filing of the Designation Amendment with the

5

Secretary of State of the State of Indiana has duly occurred; (f) the terms of the Offered Preferred Shares and of their issuance and sale have been duly established in conformity with the Articles (as then in effect), including the Designation Amendment relating to the Offered Preferred Shares, and the Bylaws (as then in effect); and (g) certificates in the form required under the IBCL representing the Offered Preferred Shares are duly executed, countersigned, registered and delivered upon payment of the agreed-upon consideration therefor, the Offered Preferred Shares (including any shares of Preferred Stock duly issued upon conversion, exchange or exercise of any Securities), when issued and sold in accordance with the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding purchase or agency agreement, will be duly authorized, validly issued, fully paid and nonassessable, provided that the consideration therefor is not less than the par value thereof, if any. In rendering the opinion set forth in this Paragraph 4, I have assumed that, at the time of issuance of any Offered Preferred Shares, (i) the Articles, the Bylaws and the IBCL shall not have been amended after the date hereof so as to affect the validity of such issuance and (ii) there shall be sufficient shares of Preferred Stock authorized under the Articles (as then in effect) and not otherwise reserved for issuance.

(5) With respect to any Warrants to be offered by the Company, including any Indeterminate Securities constituting Warrants (the "Offered Warrants"), when (a) the Registration Statement (including all necessary post-effective amendments) has become effective under the Securities Act; (b) an appropriate prospectus supplement or term sheet with respect to the Offered Warrants has been prepared, delivered and filed in compliance with the Securities Act and the applicable rules and regulations thereunder; (c) if the Offered Warrants are to be sold pursuant to a firm commitment underwritten offering, an underwriting agreement with respect to the Offered Warrants has been duly authorized, executed and delivered by the Company and the other parties thereto; (d) the Offered Warrants and the Securities of the Company into which the Offered Warrants are exercisable have been duly authorized by the Board of Directors of the Company (or a duly authorized committee thereof); (e) the Board of Directors of the Company, including any appropriate committee appointed thereby, and appropriate officers of the Company have taken all necessary corporate action to approve the issuance and terms of the Offered Warrants, the Securities of the Company into which the Offered Warrants are exercisable, the consideration to be received therefor and related matters; (f) a warrant agreement relating to the Offered Warrants (the "Warrant Agreement") has been duly authorized, executed and delivered by the Company and the other parties thereto; (g) the terms of the Offered Warrants and of their issuance and sale have been duly established in conformity with the Articles (as then in effect), the Bylaws (as then in effect) and the Warrant Agreement; and (h) the Offered Warrants are duly executed, countersigned and registered in accordance with the Warrant Agreement and duly delivered upon payment of the agreed-upon consideration therefor in the manner contemplated in the Registration Statement or any prospectus supplement or term sheet relating thereto, the Offered Warrants, when issued and sold in accordance with the applicable Warrant Agreement and the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding purchase or agency agreement, will be valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms.

The opinions stated herein are subject to the following qualifications:

6

(1) the opinions stated herein are limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer, preference and other similar laws affecting creditors' rights generally, and by general principles of equity (regardless of whether enforcement is sought in equity or at law);

(2) I do not express any opinion with respect to any law, rule or regulation that is applicable to any party to any of the Transaction Agreements or the transactions contemplated thereby solely because such law, rule or regulation is part of a regulatory regime applicable to any such party or any of its affiliates as a result of the specific assets or business operations of such party or such affiliates;

(3) except to the extent expressly stated in the opinions contained herein with respect to the Opinion Parties, I have assumed that each of the Transaction Agreements constitutes the valid and binding obligation of each party to such Transaction Agreement, enforceable against such party in accordance with its terms;

(4) I do not express any opinion with respect to the enforceability of any provision contained in any Transaction Agreement relating to any indemnification, contribution, exculpation, release or waiver that may be contrary to public policy or violative of federal or state securities laws, rules or regulations;

(5) I do not express any opinion with respect to the enforceability of any provision of any Transaction Agreement to the extent that such section purports to bind any Opinion Party to the exclusive jurisdiction of any particular federal court or courts;

(6) I call to your attention that irrespective of the agreement of the parties to any Transaction Agreement, a court may decline to hear a case on grounds of forum non conveniens or other doctrine limiting the availability of such court as a forum for resolution of disputes; in addition, I call to your attention that I do not express any opinion with respect to the subject matter jurisdiction of the federal courts of the United States of America in any action arising out of or relating to any Transaction Agreement;

(7) I have assumed that the choice of New York law to govern the Indenture, any supplemental indenture thereto and the Guarantees is a valid and legal provision, and that the choice of Indiana law to govern the Rights Agreement and the Rights is a valid and legal provision;

(8) I have assumed any Debt Securities that may be issued will be manually authenticated, signed or countersigned, as the case may be, by duly authorized officers of any Trustee;

(9) I do not express any opinion with respect to the enforceability of applicable provisions contained in the Offered Guarantees, the Indenture and the supplemental indentures thereto to the extent that such provisions provide that the obligations of the Guarantors are absolute and unconditional irrespective of the enforceability or genuineness of the Indenture or the effect thereof on the opinions herein stated;

(10) I do not express any opinion with respect to the enforceability of the provisions contained in the Offered Guarantees, the Indenture and the supplemental indentures thereto to the extent that such provisions limit the obligation of the Guarantors under the Indenture or any right of contribution of any party with respect to the obligations under the Indenture; and

(11) to the extent that any opinion relates to the enforceability of the choice of New York law and choice of New York forum provisions contained in any Transaction Agreement, the opinions stated herein are subject to the qualification that such enforceability may be subject to, in each case, (i) the exceptions and limitations in New York General Obligations Law sections 5-1401 and 5-1402 and (ii) principles of comity or constitutionality.

In addition, in rendering the foregoing opinions I have assumed that:

(a) each Non-Opinion Party (i) is duly incorporated or formed, as applicable, and is validly existing and in good standing, (ii) has requisite legal status and legal capacity under the laws of the jurisdiction of its organization or formation, as applicable, and (iii) has complied and will comply with all aspects of the laws of the jurisdiction of its organization or formation, as applicable, in connection with the transactions contemplated by, and the performance of its obligations under, the Transaction Agreements to which such Non-Opinion Party is a party;

(b) each Non-Opinion Party has the corporate or limited liability company, as applicable, power and authority to execute, deliver and perform all its obligations under each of the Transaction Agreements to which such Non-Opinion Party is a party;

(c) neither the execution and delivery by the Company and each Guarantor of the Transaction Agreements to which the Company or such Guarantor is a party nor the consummation by the Company and such Guarantor of the transactions contemplated thereby, including the issuance and sale of the applicable Securities: (i) conflicts or will conflict with the certificate of incorporation, certificate of formation, bylaws or limited liability company agreement, as applicable, of the Company or any Guarantor, (ii) constitutes or will constitute a violation of, or a default under, any lease, indenture, instrument or other agreement to which the Company or any Guarantor or its property is subject, (iii) contravenes or will contravene any order or decree of any governmental authority to which the Company or any Guarantor or its property is subject, or (iv) violates or will violate any law, rule or regulation to which the Company or any Guarantor or its property is subject (except that I do not make the assumption set forth in this clause (iv) with respect to the Opined-on Law); and

(d) neither the execution and delivery by the Company or any Guarantor of the Transaction Agreements to which the Company or such Guarantor is a party nor the consummation by the Company and such Guarantor of the transactions contemplated thereby, including the issuance and sale of the applicable Securities, requires or will require the consent, approval, licensing or authorization of, or any filing, recording or registration with, any governmental authority under any law, rule or regulation of any jurisdiction.

I understand that you intend to rely on this opinion for purposes of rendering an opinion in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities

Act, which opinion will be filed with the Commission as Exhibit 5.1 to the Registration Statement. I hereby consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement. In giving this consent, I do not thereby admit that I am in the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations of the Commission. This opinion is expressed as of the date hereof unless otherwise expressly stated, and I disclaim any undertaking to advise you of any subsequent changes of the facts stated or assumed herein or any subsequent changes in applicable law.

We have also examined originals or copies, certified or otherwise identified to our satisfaction, of such records of the Company and the Guarantors and such agreements, certificates and receipts of public officials, certificates of officers or other representatives of the Company and the Guarantors and others, and such other documents as we have deemed necessary or appropriate as a basis for the opinions stated below.

In our examination, we have assumed the genuineness of all signatures including endorsements, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as facsimile, electronic, certified or photostatic copies, and the authenticity of the originals of such copies. As to any facts relevant to the opinions stated herein that we did not independently establish or verify, we have relied upon statements and representations of officers and other representatives of the Company and the Guarantors and others and of public officials.

We do not express any opinion with respect to the laws of any jurisdiction other than (i) the laws of the State of New York, (ii) the General Corporation Law of the State of Delaware (the "DGCL"), (iii) the Delaware Limited Liability Company Act (the "DLLCA") and (iv) to the extent that judicial or regulatory orders or decrees or consents, approvals, licenses, authorizations,

validations, filings, recordings or registrations with governmental authorities are relevant, to those required under such laws (all of the foregoing being referred to as “Opined on Law”). We do not express any opinion as to the effect of any law (other than Opined on Law) on the opinions stated herein. The Securities may be issued from time to time on a delayed or continuous basis, and the opinions expressed herein are based on laws in effect on the date hereof, which laws are subject to change with possible retroactive effect. Charles E. Baker, Vice President, General Counsel and Corporate Secretary of the Company, and Todd A. Mikesell, Associate General Counsel of the Company, may rely on this opinion in rendering their respective opinions each to be dated the date hereof and filed as Exhibits 5.1 and 5.2, respectively, to the Registration Statement.

As used herein, (i) “Opinion Parties” means each of the Guarantors listed on Schedule II hereto and “Non-Opinion Party” means the Company and each of the Guarantors listed on Schedule III hereto and (ii) “Transaction Agreements” means the Indenture and the supplemental indentures thereto and the Guarantees.

Based upon the foregoing and subject to the qualifications and assumptions stated herein, we are of the opinion that:

(1) With respect to any series of Debt Securities offered by the Company, including any Indeterminate Securities constituting Debt Securities of such series (the “Offered Debt Securities”), when (i) the Registration Statement (including all necessary post-effective amendments) has become effective under the Securities Act and the Indenture has been qualified under the Trust Indenture Act of 1939; (ii) an appropriate prospectus supplement or term sheet with respect to the Offered Debt Securities has been prepared, delivered and filed in compliance with the Securities Act and the applicable Rules and Regulations; (iii) if the Offered Debt Securities are to be sold pursuant to a firm commitment underwritten offering, the underwriting agreement with respect to the Offered Debt Securities has been duly authorized, executed and delivered by the Company and the other parties thereto; (iv) the Indenture and any supplemental indenture thereto establishing the terms of the Offered Debt Securities has been duly authorized, executed and delivered by the Company and any other parties thereto; (v) the Board of Directors of the Company, including any appropriate committee appointed thereby, and appropriate officers of the Company have taken all necessary corporate action to approve the issuance, sale and terms of the Offered Debt Securities and related matters in conformity with the Indenture and any such supplemental indenture thereto; (vi) the terms of the Offered Debt Securities and of their issuance and sale have been duly established in conformity with the Indenture and any supplemental indenture thereto establishing the terms of such Offered Debt Securities so as not to violate any applicable law, the Certificate of Incorporation and By-Laws of the Company as then in effect or result in a default under or breach of any agreement or instrument binding upon the Company, and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company; and (viii) the certificates evidencing the Offered Debt Securities have been issued in a form that complies with the provisions of the Indenture and any supplemental indenture thereto establishing the terms of such Offered Debt Securities and have been duly executed and authenticated in accordance with the provisions of the Indenture and any such supplemental indenture thereto and duly delivered to the purchasers

3

thereof upon payment of the agreed-upon consideration therefor, the Offered Debt Securities, when issued and sold or otherwise distributed in accordance with the Indenture and such supplemental indenture thereto and the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding agreement, will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms under the laws of the State of New York.

(2) With respect to any Guarantee offered by any Guarantor of any series of Offered Debt Securities, including any Guarantee of any Indeterminate Securities constituting Debt Securities of such series (the “Offered Guarantees”), when (i) the Registration Statement (including all necessary post-effective amendments) has become effective under the Securities Act; (ii) an appropriate prospectus supplement or term sheet with respect to the Offered Debt Securities and the Offered Guarantees has been prepared, delivered and filed in compliance with the Securities Act and the applicable Rules and Regulations; (iii) if the Offered Guarantees are to be sold pursuant to a firm commitment underwritten offering, the underwriting agreement with respect to the Offered Debt Securities and the Offered Guarantees has been duly authorized, executed and delivered by the Company, the Guarantors and the other parties thereto; (iv) the Indenture and any supplemental indenture thereto establishing the terms of the Offered Debt Securities and the Offered Guarantees has been duly authorized, executed and delivered by the Company, the Guarantors and any other parties thereto; (v) the board of directors, the board of managers and the sole member, as applicable, of such Guarantor, including any appropriate committee appointed thereby, and appropriate officers of such Guarantor have taken all necessary corporate or limited liability company, respectively, action to approve the issuance, sale and terms of the Offered Guarantees and related matters in conformity with the Indenture and any such supplemental indenture thereto; (vi) the terms of the Offered Guarantees and of their issuance and sale have been duly established in conformity with the Indenture and any supplemental indenture thereto establishing the terms of such Offered Guarantees so as not to violate any applicable law, the certificate of incorporation, certificate of formation, bylaws, and limited liability company agreement, as applicable, of such Guarantor as then in effect or result in a default under or breach of any agreement or instrument binding upon such Guarantor, and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over such Guarantor; and (viii) the Offered Guarantees have been duly executed and delivered in accordance with the provisions of the Indenture and any such supplemental indenture thereto and duly issued in accordance with the Indenture and such supplemental indenture thereto and the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding agreement, the Offered Guarantees will constitute valid and binding obligations of such Guarantor, enforceable against such Guarantor in accordance with their respective terms under the laws of the State of New York.

The opinions stated herein are subject to the following qualifications:

(1) the opinions stated herein are limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer, preference and other similar laws affecting creditors’ rights generally, and by general principles of equity (regardless of whether enforcement is sought in equity or at law);

4

(2) we do not express any opinion with respect to any law, rule or regulation that is applicable to any party to any of the Transaction Agreements or the transactions contemplated thereby solely because such law, rule or regulation is part of a regulatory regime applicable to any such party or any of its affiliates as a result of the specific assets or business operations of such party or such affiliates;

(3) except to the extent expressly stated in the opinions contained herein with respect to the Opinion Parties, we have assumed that each of the Transaction Agreements constitutes the valid and binding obligation of each party to such Transaction Agreement, enforceable against such party in accordance with its terms;

(4) we do not express any opinion with respect to the enforceability of any provision contained in any Transaction Agreement relating to any indemnification, contribution, exculpation, release or waiver that may be contrary to public policy or violative of federal or state securities laws, rules or regulations;

(5) we do not express any opinion with respect to the enforceability of any provision of any Transaction Agreement to the extent that such section purports to bind any Opinion Party to the exclusive jurisdiction of any particular federal court or courts;

(6) we call to your attention that irrespective of the agreement of the parties to any Transaction Agreement, a court may decline to hear a case on grounds of forum non conveniens or other doctrine limiting the availability of such court as a forum for resolution of disputes; in addition, we call to your attention that we do not express

any opinion with respect to the subject matter jurisdiction of the federal courts of the United States of America in any action arising out of or relating to any Transaction Agreement;

(7) we have assumed that the choice of New York law to govern the Indenture, any supplemental indenture thereto and the Guarantees is a valid and legal provision;

(8) we have assumed any Debt Securities that may be issued will be manually authenticated, signed or countersigned, as the case may be, by duly authorized officers of any Trustee;

(9) we do not express any opinion with respect to the enforceability of applicable provisions contained in the Offered Guarantees, the Indenture and the supplemental indentures thereto to the extent that such provisions provide that the obligations of the Guarantors are absolute and unconditional irrespective of the enforceability or genuineness of the Indenture or the effect thereof on the opinions herein stated;

(10) we do not express any opinion with respect to the enforceability of the provisions contained in the Offered Guarantees, the Indenture and the supplemental indentures thereto to the extent that such provisions limit the obligation of the Guarantors under the Indenture or any right of contribution of any party with respect to the obligations under the Indenture;

5

(11) to the extent that any opinion relates to the enforceability of the choice of New York law and choice of New York forum provisions contained in any Transaction Agreement, the opinions stated herein are subject to the qualification that such enforceability may be subject to, in each case, (i) the exceptions and limitations in New York General Obligations Law sections 5-1401 and 5-1402 and (ii) principles of comity or constitutionality; and

(12) we have assumed that each LLC Agreement is the only agreement of the members of the applicable Opinion Party as to the affairs of such Opinion Party and the conduct of its business, and we do not express any opinion with respect to the effect of any other agreement of the members of such Opinion Party as to the affairs of such Opinion Party and the conduct of its business;

In addition, in rendering the foregoing opinions we have assumed that:

(a) each Non-Opinion Party (i) is duly incorporated or formed, as applicable, and is validly existing and in good standing, (ii) has requisite legal status and legal capacity under the laws of the jurisdiction of its organization or formation, as applicable, and (iii) has complied and will comply with all aspects of the laws of the jurisdiction of its organization or formation, as applicable, in connection with the transactions contemplated by, and the performance of its obligations under, the Transaction Agreements to which such Non-Opinion Party is a party;

(b) each Non-Opinion Party has the corporate or limited liability company, as applicable, power and authority to execute, deliver and perform all its obligations under each of the Transaction Agreements to which such Non-Opinion Party is a party;

(c) neither the execution and delivery by the Company and each Guarantor of the Transaction Agreements to which the Company or such Guarantor is a party nor the consummation by the Company and such Guarantor of the transactions contemplated thereby, including the issuance and sale of the applicable Securities: (i) conflicts or will conflict with the certificate of incorporation, certificate of formation, bylaws or limited liability company agreement, as applicable, of the Company or any Guarantor, (ii) constitutes or will constitute a violation of, or a default under, any lease, indenture, instrument or other agreement to which the Company or any Guarantor or its property is subject, (iii) contravenes or will contravene any order or decree of any governmental authority to which the Company or any Guarantor or its property is subject, or (iv) violates or will violate any law, rule or regulation to which the Company or any Guarantor or its property is subject (except that we do not make the assumption set forth in this clause (iv) with respect to the Opined-on Law); and

(d) neither the execution and delivery by the Company or any Guarantor of the Transaction Agreements to which the Company or such Guarantor is a party nor the consummation by the Company and such Guarantor of the transactions contemplated thereby, including the issuance and sale of the applicable Securities, requires or will require the consent, approval, licensing or authorization of, or any filing, recording or registration with, any governmental authority under any law, rule or regulation of any jurisdiction.

6

We hereby consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement. We also hereby consent to the reference to our firm under the heading "Legal Matters" in the prospectus forming part of the Registration Statement. In giving this consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations. This opinion is expressed as of the date hereof unless otherwise expressly stated, and we disclaim any undertaking to advise you of any subsequent changes in the facts stated or assumed herein or of any subsequent changes in applicable laws.

Very truly yours,

/s/ Skadden, Arps, Slate, Meagher & Flom LLP
