DESCRIPTION OF DEBT SECURITIES AND GUARANTEES

We may offer secured or unsecured debt securities, which may be convertible. Our debt securities and any related guarantees will be issued under an indenture, dated November 27, 2015, between us and Deutsche Bank Trust Company Americas, as trustee, as amended from time to time. The debt securities will be structurally subordinated to all existing and future liabilities, including trade payables, of our subsidiaries that do not guarantee the debt securities, and the claims of creditors of those subsidiaries, including trade creditors, will have priority as to the assets and cash flows of those subsidiaries.

We have summarized certain general features of the debt securities from the indenture. A copy of the indenture is attached as an exhibit to the registration statement of which this prospectus forms a part. The following description of the terms of the debt securities and the guarantees sets forth certain general terms and provisions. The particular terms of the debt securities and guarantees offered by any prospectus supplement (including which indenture such securities will be governed by) and the extent, if any, to which such general provisions may apply to the debt securities and guarantees will be described in the related prospectus supplement. Accordingly, for a description of the terms of a particular issue of debt securities, reference must be made to both the related prospectus supplement and to the following description.

General

The aggregate principal amount of debt securities that may be issued under the indenture is unlimited. The debt securities may be issued in one or more series as may be authorized from time to time.

Reference is made to the applicable prospectus supplement for the following terms of the debt securities (if applicable):

- title and aggregate principal amount;
- whether such securities will be senior or subordinated;
- applicable subordination provisions, if any;
- whether such securities will be entitled to the benefits of the guarantees or any other form of guarantee;
- conversion or exchange into other securities;
- whether such securities will be secured or unsecured, and if secured, what the collateral will consist of;
- percentage or percentages of principal amount at which such securities will be issued;
- maturity date(s);
- interest rate(s) or the method for determining the interest rate(s);
- dates on which interest will accrue or the method for determining dates on which interest will accrue and dates on which interest will be payable;
- redemption (including upon a “change of control”) or early repayment provisions;
- authorized denominations;
- form;
- amount of discount or premium, if any, with which such securities will be issued;
- whether such securities will be issued in whole or in part in the form of one or more global securities;
- identity of the depositary for global securities;
- whether a temporary security is to be issued with respect to such series and whether any interest payable prior to the issuance of definitive securities of the series will be credited to the account of the persons entitled thereto;
- the terms upon which beneficial interests in a temporary global security may be exchanged in whole or in part for beneficial interests in a definitive global security or for individual definitive securities;

- conversion or exchange features;
- any covenants applicable to the particular debt securities being issued;

- whether any underwriter(s) will act as market maker(s) for such securities;
- extent to which a secondary market for such securities is expected to develop;

One or more series of debt securities may be sold at a substantial discount below their stated principal amount, bearing no interest or interest at a rate which at the time of issuance is below market rates. One or more series of debt securities may be variable rate debt securities that may be exchanged for fixed rate debt securities.

United States federal income tax consequences and special considerations, if any, applicable to any such series will be described in the applicable prospectus supplement.

Debt securities may be issued where the amount of principal and/or interest payable is determined by reference to one or more currency exchange rates, commodity prices, equity indices or other factors. Holders of such securities may receive a principal amount or a payment of interest that is greater than or less than the amount of principal or interest otherwise payable on such dates, depending upon the value of the applicable currencies, commodities, equity indices or other factors. Information as to the methods for determining the amount of principal or interest, if any, payable on any date, the currencies, commodities, equity indices or other factors to which the amount payable on such date is linked and certain additional United States federal income tax considerations will be set forth in the applicable prospectus supplement.

The term “debt securities” includes debt securities denominated in U.S. dollars or, if specified in the applicable prospectus supplement, in any other freely transferable currency or units based on or relating to foreign currencies.

We expect most debt securities to be issued in fully registered form without coupons and in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. Subject to the limitations provided in the applicable indenture and in the applicable prospectus supplement, debt securities that are issued in registered form may be transferred or exchanged at the office of the applicable trustee maintained in the Borough of Manhattan, The City of New York or the principal corporate trust office of the applicable trustee, without the payment of any service charge, other than any tax or other governmental charge payable in connection therewith.

Guarantees

Any debt securities may be guaranteed by one or more of our direct or indirect subsidiaries. Each prospectus supplement will describe any guarantees for the benefit of the series of debt securities to which it relates, including required financial information of the subsidiary guarantors, as applicable.

Global Securities

The debt securities of a series may be issued in whole or in part in the form of one or more global securities that will be deposited with, or on behalf of, a depository (the “depository”) identified in the applicable prospectus supplement. Global securities will be issued in registered form and in either temporary or definitive form. Unless and until it is exchanged in whole or in part for the individual debt securities, a global security may not be transferred except as a whole by the depository for such global security to a nominee of such depository or by a nominee of such depository to such depository or another nominee of such depository or by such depository or any such nominee to a successor of such depository or a nominee of such successor. The specific terms of the depository arrangement with respect to any debt securities of a series and the rights of and limitations upon owners of beneficial interests in a global security will be described in the applicable prospectus supplement.

Governing Law

The indenture, the debt securities and the guarantees shall be construed in accordance with and governed by the laws of the State of New York, without giving effect to the principles thereof relating to conflicts of law.

DESCRIPTION OF CAPITAL STOCK

The following is a description of certain material terms of our amended articles of incorporation, bylaws and of certain provisions of Indiana law. The following summary does not purport to be complete and is qualified in its entirety by reference to our amended articles of incorporation and bylaws, copies of which are filed as exhibits to the registration statement of which this prospectus forms a part, and the relevant provisions of Indiana law.

General

Our authorized capital structure consists of:

- 1,110,000,000 shares of common stock, without par value; and
- 15,000,000 shares of preferred stock, without par value.

As of February 15, 2021, there were 327,926,616 shares of common stock and no shares of preferred stock issued and outstanding.

Common Stock

Voting

The holders of our common stock are entitled to one vote for each share held of record on each matter submitted to a vote of shareholders, including the election of directors, and do not have any right to cumulate votes in the election of directors.

Dividends

Subject to the rights and preferences of the holders of any series of preferred stock which may at the time be outstanding, holders of our common stock are entitled to such dividends as our board of directors may declare out of funds legally available.

Liquidation Rights

In the event of any liquidation, dissolution or winding-up of our affairs, after payment of all of our debts and liabilities and subject to the rights and preferences of the holders of any series of our preferred stock, the holders of our common stock will be entitled to receive the distribution of any of our remaining assets.

Other matters

Holders of our common stock have no conversion, preemptive or other subscription rights and there are no redemption rights or sinking fund provisions with respect to the common stock.

Preferred Stock

We are authorized to issue up to 15,000,000 shares of preferred stock in one or more series. Our amended articles of incorporation authorize our board of directors to determine and state the designations and the relative rights (including, if any, conversion rights, participation rights, voting rights, dividend rights and stated, redemption and liquidation values), preferences, limitations and restrictions of each unissued series. All shares of preferred stock of the same series must be identical with each other in all respects. Our board may authorize the issuance of preferred stock with voting or conversion rights that could adversely affect the voting power or other rights of the holders of our common stock.

When we issue preferred stock, we will provide specific information about the particular class or series being offered in a prospectus supplement. This information will include some or all of the following:

- the title or designation of the series;
- the number of shares to be included in the series;

- whether dividends, if any, will be cumulative or noncumulative and the dividend rate of the series;
- the conditions upon which and the dates at which dividends, if any, will be payable, and the relation that such dividends, if any, will bear to the dividends payable on any other class or classes of stock;
- the redemption rights and price or prices, if any, for shares of the series and at whose option such redemption may occur, and any limitations, restrictions or conditions on such redemption;
- the terms and amounts of any sinking fund provided for the purchase or redemption of shares of the series;
- the amounts payable on and the preferences, if any, of shares of the series, in the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of Ball Corporation;
- whether the preferred stock being offered will be listed on any securities exchange;
- if necessary, a discussion of certain federal income tax considerations applicable to the preferred stock being offered;
- the voting rights, in addition to the voting rights provided by law, if any, of the holders of shares of such series; and
- any other relative rights, preferences, limitations and powers not inconsistent with applicable law or our articles of incorporation or bylaws then in effect.

Upon issuance, the shares of preferred stock will be fully paid and nonassessable, which means that its holders will have paid their purchase price in full and we may not require them to pay additional funds.

Certain Anti-Takeover Matters

Certain provisions of our amended articles of incorporation and bylaws, as well as certain provisions of the Indiana Business Corporation Law, may have the effect of encouraging persons considering unsolicited tender offers or other unilateral takeover proposals to negotiate with our board of directors rather than pursue non-negotiated takeover attempts. These provisions include:

Classified Board of Directors

The Indiana Business Corporation Law was amended effective July 1, 2009, to require every corporation that has a class of voting shares registered with the SEC under Section 12 of the Exchange Act to maintain a classified board structure whereby its directors are elected for staggered terms in office. Corporations that were publicly-held at the time the classified board mandate became effective had until July 31, 2009, to amend their bylaws to elect not to be subject to this requirement. We did not amend our bylaws within the prescribed time and, accordingly, we are required to maintain our current classified board structure. Our amended articles of incorporation and bylaws provide for a board of directors, currently consisting of twelve members, which is divided into three classes, as nearly equal in number as possible, with directors serving staggered three-year terms. Subject to the right of holders of any series of preferred stock to elect directors, shareholders elect one class constituting approximately one-third of the board of directors for a three-year term at each annual meeting of shareholders. As a result, at least two annual meetings of shareholders may be required for the shareholders to change a majority of the board of directors. The classification of directors makes it more difficult to change the composition of the board of directors and instead promotes a continuity of existing management.

Removal of Directors Only for Cause; Filling Vacancies

Our amended articles of incorporation provide that, subject to the right of holders of any series of preferred stock to elect directors, any director may be removed from office, but only for cause and only by the affirmative vote of the holders of at least 75% of the combined voting power of the outstanding shares of our capital stock entitled to vote generally in the election of directors. Our amended articles of incorporation also provide that, subject to the right of holders of any series of preferred stock to elect directors, any newly created directorships resulting from an increase in the number of directors and any vacancy on the board shall be filled by the affirmative vote of a majority of the remaining directors then in office, even though

less than a quorum. Any director elected in accordance with the preceding sentence will hold office for the remainder of the full term of the class of directors in which the new directorship was created or the vacancy occurred and until such director's successor shall have been elected and qualified. No decrease in the number of directors constituting the board of directors shall shorten the term of any incumbent director.

The director removal and vacancy provisions restrict the ability of a third party to remove incumbent directors and simultaneously gain control of the board of directors by filling the vacancies created by removal with its own nominees.

Advance Notice Requirements

Our bylaws set forth advance notice procedures with regard to shareholder nomination of candidates for election as directors and shareholder proposals of business to be presented at annual meetings of shareholders. These procedures provide that notice of such shareholder nominations or proposals must be given timely in proper written form to the Secretary of Ball Corporation prior to the meeting at which the shareholder nominee or such business is to be considered. Generally, to be timely, notice must be received at our principal executive offices not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of shareholders; provided, however, that in the event that the annual meeting is called for a date that is not within thirty (30) days before or after such anniversary date, notice by the shareholder in order to be timely must be so received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure of the date of the annual meeting was made, whichever first occurs. To be in proper written form, the notice must contain the information required by our bylaws, including information regarding the proposal and the proponent. The advance notice requirements may have the effect of discouraging a potential acquiror from conducting a proxy contest to elect directors or otherwise attempting to influence or gain control of our company.

Special Meetings of Shareholders

Our bylaws do not grant shareholders the right to call a special meeting of shareholders. Under our bylaws, special meetings of shareholders may be called only by our chairman of the board or by the board of directors or as otherwise may be required by law.

Restrictions on Certain Related Party Business Combination Transactions

In order to approve certain business combination transactions involving related parties, our amended articles of incorporation require the affirmative vote of the holders of at least 75% of the then outstanding shares of our capital stock entitled to vote generally in the election of directors. These related party business combination transactions include:

- any merger or consolidation of us or any of our subsidiaries with (1) any related party or (2) any other person or entity who or which is, or after such merger or consolidation would be, an affiliate or associate of the related party;
- any sale, lease, exchange, mortgage, pledge, transfer or other disposition to any related party or an affiliate or associate of a related party of any assets of Ball Corporation or any of our subsidiaries having an aggregate fair market value of \$10,000,000 or more;
- any issuance or transfer by us or any of our subsidiaries of any securities having an aggregate fair market value of \$10,000,000 or more of Ball Corporation or any of our subsidiaries to any related party or an affiliate or associate of a related party in exchange for cash, securities or property (or combination thereof);
- the adoption of any plan or proposal for the liquidation or dissolution of us proposed by or on behalf of a related party or an affiliate or associate of a related party;
- any reclassification of securities or recapitalization of us, or any merger or consolidation of us with any of our subsidiaries or any other transaction that has the effect, either directly or indirectly, of increasing the proportionate share of the outstanding shares of any class of equity or convertible

securities of us or any of our subsidiaries that is directly or indirectly owned by any related party or an affiliate or associate of a related party; or

- any agreement, contract or other arrangement providing for any one or more of the transactions mentioned above.

A related party is a person or entity (other than us, any of our subsidiaries, and our, or our subsidiaries', employee benefit plans and any trustees or fiduciaries thereof acting in such capacities) who or which (1) is the beneficial owner of more than 10% of the voting power of our outstanding capital stock entitled to vote generally in the election of directors; or (2) is one of our affiliates or associates and at any time within the two-year period immediately prior to the date in question was the beneficial owner of 10% or more of the voting power of our outstanding capital stock entitled to vote generally in the election of directors; or (3) is an assignee of or has otherwise succeeded to any shares of our voting stock that were at any time within the two-year period immediately prior to the date in question beneficially owned by any related party, if such assignment or succession shall have occurred in the course of a transaction not involving a public offering within the meaning of the Securities Act.

The supermajority voting requirement does not apply, however, if:

- the related party business combination transaction is approved by a majority of directors who are (1) unaffiliated with the related party and who were directors before such person or entity became a related party or (2) relevant unaffiliated successors of such directors; or
- specified price, form of consideration and procedural requirements have been met.

Amendment of Articles and Bylaws

Our amended articles of incorporation generally require the affirmative vote of the holders of at least 75% of the voting power of the outstanding shares of our capital stock entitled to vote generally in the election of directors to alter, amend, repeal or adopt any provision inconsistent with certain provisions of our amended articles of incorporation, including those described above. Our bylaws may be altered, added to, amended or repealed only by our board of directors. Shareholders do not have this authority.

Indiana Business Combinations Statute

We are subject to Chapter 43, the Business Combinations Chapter, of the Indiana Business Corporation Law. Our bylaws provide that Chapter 42, the Control Share Acquisition Chapter, of the Indiana Business Corporation Law shall not apply to control share acquisitions of shares of our capital stock.

Subject to exceptions set forth in the Business Combinations Chapter, that Chapter prohibits an Indiana corporation from engaging in certain business combination transactions, including transactions similar to the related party business combination transactions described above, with any interested shareholder for a period of five years following the date that the shareholder first became an interested shareholder, unless the business combination or the purchase of shares made by the interested shareholder on such date is approved by the board of directors of the corporation prior to such date. If prior approval of the board of directors is not obtained, several price and procedural requirements must be met before the business combination may be completed.

In general, the Business Combinations Chapter defines an interested shareholder as any person who or which (1) is the beneficial owner of 10% or more of the voting power of the outstanding voting shares of the corporation or (2) is an affiliate or associate of the corporation and at any time within the five year period immediately before the date in question was the beneficial owner of 10% or more of the voting power of the then outstanding shares of the corporation.

The transfer agent and registrar for our common stock is Computershare Trust Company.

Such warrants may be issued independently or together with any such underlying warrant securities and may be attached to or separate from such underlying warrant securities. Each series of warrants will be issued under a separate warrant agreement to be entered into between us and a warrant agent. The warrant agent will act solely as our agent in connection with the warrants of such series and will not assume any obligation or relationship of agency for or with holders or beneficial owners of warrants.

Item 15. Indemnification of Directors and Officers

The following summary is qualified in its entirety by reference to the complete text of the statute, the amended articles of incorporation and the bylaws referred to below.

Ball Corporation is empowered by Chapter 37 of the Indiana Business Corporation Law (the "IBCL"), subject to the procedures and limitations therein, to indemnify any person against expenses (including attorneys' fees) and the obligation to pay a judgment, settlement, penalty, fine or reasonable expenses incurred with respect to a threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative and whether formal or informal, in which such person is made a party because such person is or was a director, officer, employee or agent of Ball Corporation if his or her conduct was in good faith, he or she reasonably believed that, if acting in the individual's official capacity, the conduct was in the best interests of the corporation and in all other cases, the conduct was not opposed to the corporation's best interests, and, in the case of any criminal proceeding, he or she had reasonable cause to believe the conduct was lawful or had no reasonable cause to believe the conduct was unlawful. The statute provides that indemnification pursuant to its provisions is not exclusive of other rights of indemnification to which a person may be entitled under a corporation's articles of incorporation or bylaws, resolution of the board of directors or of the shareholders, or otherwise. In addition, unless limited by its articles of incorporation, a corporation shall indemnify a director or officer who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director or officer was a party because he or she is or was a director or officer of the corporation against reasonable expenses incurred by him or her in connection with the proceeding. A corporation has the power to purchase and maintain insurance on behalf of any of the persons described above against any liability asserted against or incurred by such person in any of the capacities described above, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability under the IBCL.

Article XIII, Section B of Ball Corporation's amended articles of incorporation obligates Ball Corporation to indemnify any person in connection with any liability and reasonable expenses arising by reason of such person's status as a past or present director, officer or employee of Ball Corporation or of any other enterprise which he or she is serving or served in any capacity at the request of Ball Corporation if

such person is determined to have acted in good faith and in a manner the director, officer or employee reasonably believed to be in the best interests of the corporation or such other enterprise, as the case may be, and, in addition, in any criminal action or proceedings, had no reasonable cause to believe that his conduct was unlawful; provided, however, there shall be no indemnification (a) as to amounts paid or payable to Ball Corporation or such other enterprise for or based upon the person having gained in fact any personal profit or advantage to which he or she was not legally entitled; (b) as to amounts paid or payable to Ball Corporation for an accounting of profits in fact made from the purchase or sale of securities of Ball Corporation within the meaning of Section 16(b) of the Securities Exchange Act of 1934 and amendments thereto or similar provisions of any state statutory law; or (c) with respect to matters as to which indemnification would be in contravention of the laws of the State of Indiana or of the United States of America whether as a matter of public policy or pursuant to statutory provisions. The termination of any claim, action, suit or proceeding, civil or criminal, by judgment, settlement or conviction or upon a plea of guilty or of nolo contendere, or its equivalent, does not create a presumption that a director, officer or employee did not meet the applicable standards of conduct. In addition, any person who has been wholly successful with respect to any proceeding of the type described above is entitled to indemnification as of right, except to the extent he has otherwise been indemnified.

Ball Corporation's bylaws provide that Ball Corporation shall indemnify any person made a party to a proceeding because he is or was a director or officer of the corporation against liability incurred in connection with a proceeding to the fullest extent permitted by the IBCL, as so limited by the limitations on indemnification set forth in Article 5, Section C, including with respect to having met the standard of conduct set forth in the IBCL. The termination of a proceeding by judgment, order, settlement, or conviction, or upon plea of nolo contendere or its equivalent is not, of itself, determinative that the director or officer did not meet the standard of conduct set forth in the IBCL. The bylaws additionally provide that any person who has been wholly successful with respect to any proceeding of the type described above is entitled to indemnification as of right.

The directors and officers of Ball Corporation and its subsidiaries are insured (subject to certain exceptions and deductions) against liabilities which they may incur in their capacity as such, including liabilities under the Securities Act, under liability insurance policies maintained by Ball Corporation.

Item 17. Undertakings

The undersigned registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(d) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by a registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(e) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the registrant undertakes that in a primary offering of securities of the registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the registrant or used or referred to by the registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about an undersigned registrant or its securities provided by or on behalf of an undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by an undersigned registrant to the purchaser.

(f) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(g) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is

asserted by such director, officer or controlling person in connection with the securities being registered, that the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

Re: Ball Corporation
Registration Statement on Form S-3

Ladies and Gentlemen:

I am General Counsel of Ball Corporation, an Indiana corporation (the "Company"), and have acted as counsel to the Company in connection with the automatic registration statement on Form S-3 (the "Registration Statement") to be filed on the date hereof by the Company and the guarantors listed on Schedule I hereto (collectively, the "Guarantors") with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"). The Registration Statement relates to the issuance and sale by the Company from time to time, pursuant to Rule 415 of the General Rules and Regulations of the Commission promulgated under the Securities Act (the "Rules and Regulations"), of (i) shares of common stock, without par value, of the Company ("Common Stock"); (ii) shares of preferred stock, without par value, of the Company ("Preferred Stock"), which may be issued in one or more series; (iii) debt securities of the Company ("Debt Securities"), which may be issued in one or more series under the Indenture, dated as of November 27, 2015 (the "Indenture"), by and between the Company and Deutsche Bank Trust Company Americas, as trustee (the "Trustee"), which is filed as an exhibit to the Registration Statement; (iv) warrants to purchase shares of Common Stock, shares of Preferred Stock or Debt Securities (the "Warrants"), which may be issued pursuant to one or more warrant agreements (each, a "Warrant Agreement") proposed to be entered into by the Company and one or more warrant agents to be named therein and (v) such indeterminate number of shares of Common Stock or Preferred Stock and indeterminate amount of Debt Securities as may be issued upon conversion, exchange or exercise, as applicable, of any Preferred Stock, Debt Securities or Warrants, including such shares of Common Stock or Preferred Stock as may be issued pursuant to anti-dilution adjustments determined at the time of offering (collectively, "Indeterminate Securities"). The Registration Statement also relates to the issuance and sale from time to time by the Guarantors of guarantees of the Debt Securities (the "Guarantees"). The Common Stock, the Preferred Stock, Debt Securities, the Warrants, the Indeterminate Securities and the Guarantees offered pursuant to the Registration Statement are collectively referred to herein as the "Securities."

This opinion is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act.

In rendering the opinions stated herein, I have examined and relied upon the following:

- (a) the Registration Statement;
 - (b) an executed copy of the Indenture;
 - (c) a copy of the amended articles of incorporation of the Company, as amended (the "Articles") and of each of the other Opinion Parties that are corporations, as certified by the applicable secretary of state;
 - (d) a copy of the bylaws of the Company (the "Bylaws") and of each of the other Opinion Parties that are corporations, as amended and in effect as of the date hereof;
 - (e) a copy of the certificate of formation of each of the Opinion Parties that are limited liability companies, as certified by the applicable secretary of state;
 - (f) a copy of the limited liability company agreement or operating agreement of each of the Opinion Parties that are limited liability companies, as amended and in effect as of the date hereof;
-

(g) a copy of certain resolutions adopted by the board of directors or other governing body, as applicable, of each Opinion Party relating to the Registration Statement and the registration of the Securities and related matters; and

(h) a specimen certificate evidencing the Common Stock.

I have also examined originals or copies, certified or otherwise identified to my satisfaction, of such records of the Company and the Guarantors and such agreements, certificates and receipts of public officials, certificates of officers or other representatives of the Company and the Guarantors and others, and such other documents as I have deemed necessary or appropriate as a basis for the opinions stated below.

In my examination, I have assumed the genuineness of all signatures including endorsements, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as facsimile, electronic, certified or photostatic copies, and the authenticity of the originals of such copies. As to any facts relevant to the opinions stated herein that I did not independently establish or verify, I have relied upon statements and representations of officers and other representatives of the Company and the Guarantors and others and of public officials.

My opinions set forth below are limited to the corporate laws of the States of Delaware, Indiana and Colorado and those laws of the State of New York that, in my experience, are normally applicable to transactions of the type contemplated by the Indenture and the Registration Statement (all of the foregoing being referred to as "Opined on Law"). I am a member of the Bar in the State of Colorado, and I have relied as to matters of Indiana law on the opinion of Todd A. Mikesell, Assistant General Counsel of the Company, dated the date hereof and to be filed as Exhibit 5.2 to the Registration Statement, and I have relied as to matters of New York law on the opinion of Skadden, Arps, Slate, Meagher & Flom LLP dated the date hereof and to be filed as Exhibit 5.3 to the Registration Statement.

As used herein, (i) "Opinion Parties" means the Company and each of the Guarantors listed on Schedule II hereto and "Non-Opinion Party" means each of the Guarantors listed on Schedule III hereto and (ii) "Transaction Agreements" means the Indenture and the supplemental indentures thereto, the Guarantees and the Warrant Agreements.

The opinions stated in paragraphs 1 through 5 below presume that all of the following (collectively, the "general conditions") shall have occurred prior to the issuance of the Securities referred to therein: (i) the Registration Statement, as finally amended (including all necessary post-effective amendments) has become effective under the Securities Act; (ii) an appropriate prospectus supplement or term sheet with respect to such Securities has been prepared, delivered and filed in compliance with the Securities Act and the applicable Rules and Regulations; (iii) the applicable Transaction Agreements shall have been duly authorized, executed and delivered by the Company and the other parties thereto, including, if such Securities are to be sold or otherwise distributed pursuant to a firm commitment underwritten offering, the underwriting agreement or purchase agreement with respect thereto; (iv) the Board of Directors of the Company and similar governing body of the Guarantors, including any duly authorized committee thereof, shall have taken all necessary corporate action to approve the issuance and sale of such Securities and related matters, and appropriate officers of the Company and the Guarantors have taken all related action as directed by or under the direction of the Board of Directors of the Company or similar governing body of the Guarantors, as the case may be; and (v) the terms of the applicable Transaction Agreements and the issuance and sale of such Securities have been duly established in conformity with the certificate of incorporation of the Company and organization documents of the Guarantors, as applicable so as not to violate any applicable law, the certificate of incorporation of the Company or the bylaws of the Company or organizational documents of the Guarantor, or result in a default under or breach of any agreement or instrument binding upon the Company or the Guarantors, as the case may be, and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company.

Based upon the foregoing and subject to the qualifications and assumptions stated herein, I am of the opinion that:

(1) With respect to any series of Debt Securities offered by the Company, including any Indeterminate Securities constituting Debt Securities of such series (the "Offered Debt Securities"), when (a) the general conditions shall have been satisfied, (b) the issuance, sale and terms of the Offered Debt Securities and related matters have been approved and established in conformity with the applicable Transaction Agreements and (c) the certificates evidencing the Offered Debt Securities have been issued in a form that complies with the provisions of the applicable Transaction Agreements and have been duly executed and authenticated in accordance with the provisions of the Indenture and any other applicable Transaction Agreements and issued and sold or otherwise distributed in accordance with the provisions of the applicable Transaction Agreement upon payment of the agreed upon consideration therefor, the Offered Debt Securities will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms under the laws of the State of New York.

(2) With respect to any Guarantee of any series of Offered Debt Securities, including any Guarantee of any Indeterminate Securities constituting Offered Debt Securities of such series (the “Offered Guarantees”), when (a) the general conditions shall have been satisfied, (b) the issuance, sale and terms of the Offered Guarantees and related matters have been approved and established in conformity with the applicable Transaction Agreements, (c) certificates (if any) evidencing the Offered Guarantees and the certificates evidencing the Debt Securities guaranteed thereby have been duly executed and, if applicable, authenticated in accordance with the provisions of the Indenture and any other applicable Transaction Agreements and (d) such Debt Securities have been issued and sold or otherwise distributed in accordance with the provisions of the applicable Transaction Agreement upon payment of the agreed upon consideration therefor, the Offered Guarantees will constitute valid and binding obligations, of such Guarantor, enforceable against such Guarantor in accordance with their respective terms under the laws of the State of New York.

(3) With respect to any shares of Common Stock offered by the Company, including any Indeterminate Securities constituting Common Stock (the “Offered Common Shares”), when (a) the general conditions shall have been satisfied and (b) certificates in the form required under the Indiana Business Corporation Law, as amended (the “IBCL”), representing the Offered Common Shares are duly executed, countersigned, registered and delivered upon payment of the agreed-upon consideration therefor, the Offered Common Shares (including any shares of Common Stock duly issued upon conversion, exchange or exercise of any Securities), when issued and sold in accordance with the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding purchase or agency agreement, will be duly authorized, validly issued, fully paid and nonassessable, provided that the consideration therefor is not less than the par value thereof, if any. In rendering the opinion set forth in this Paragraph 3, I have assumed that, at the time of issuance of any Offered Common Shares, (i) the Articles, the Bylaws and the IBCL shall not have been amended after the date hereof so as to affect the validity of such issuance and (ii) there shall be sufficient shares of Common Stock authorized under the Articles (as then in effect) and not otherwise reserved for issuance.

(4) With respect to the shares of any series of Preferred Stock offered by the Company, including any Indeterminate Securities constituting shares of Preferred Stock of such series (the “Offered Preferred Shares”), when (a) the general conditions shall have been satisfied, (b) the Board of Directors of the Company, including any appropriate committee appointed thereby, and appropriate officers of the Company have taken all necessary corporate action to adopt articles of amendment to the Articles for such Offered Preferred Shares (the “Designation Amendment”) in accordance with the applicable provisions of the IBCL; (c) the filing of the Designation Amendment with the Secretary of State of the State of Indiana has duly occurred; (d) the terms of the Offered Preferred Shares and of their issuance and sale have been duly established in conformity with the Articles (as then in effect), including the Designation Amendment relating to the Offered Preferred Shares, and the Bylaws (as then in effect); and (e) certificates in the form required under the IBCL representing the Offered Preferred Shares are duly executed, countersigned, registered and delivered upon payment of the agreed-upon consideration therefor, the Offered Preferred Shares (including any shares of Preferred Stock duly issued upon conversion, exchange or exercise of any Securities), when issued and sold in accordance with the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding purchase or agency agreement, will be duly authorized, validly issued, fully paid and nonassessable, provided that the consideration therefor is not less than the par value thereof, if any. In rendering the opinion set forth in this Paragraph 4, I have assumed that, at the time of issuance of any Offered Preferred Shares, (i) the Articles, the Bylaws and the IBCL shall not have been amended after the date hereof so as to affect the validity of such issuance and (ii) there shall be sufficient shares of Preferred Stock authorized under the Articles (as then in effect) and not otherwise reserved for issuance.

(5) With respect to any Warrants offered by the Company (the “Offered Warrants”), when (a) the general conditions shall have been satisfied, (b) the Common Stock, Preferred Stock and/or Debt Securities for which the Offered Warrants are exercisable have been duly authorized for issuance by the Company and (c) certificates evidencing the Offered Warrants have been duly executed, delivered and countersigned in accordance with the provisions of the applicable Warrant Agreement, the Offered Warrants, when issued and sold or otherwise distributed in accordance with the provisions of the applicable Transaction Agreement upon payment of the agreed upon consideration therefor, will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms under the laws of the State of New York.

The opinions stated herein are subject to the following qualifications:

(a) the opinions stated herein are limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer, preference and other similar laws affecting creditors’ rights generally, and by general principles of equity (regardless of whether enforcement is sought in equity or at law);

(b) I do not express any opinion with respect to any law, rule or regulation that is applicable to any party to any of the Transaction Agreements or the transactions contemplated thereby solely because such law, rule or regulation is part of a regulatory regime applicable to any such party or any of its affiliates as a result of the specific assets or business operations of such party or such affiliates;

(c) except to the extent expressly stated in the opinions contained herein, I have assumed that each of the Transaction Agreements constitutes the valid and binding obligation of each party to such Transaction Agreement, enforceable against such party in accordance with its terms;

(d) I do not express any opinion with respect to the enforceability of any provision contained in any Transaction Agreement relating to any indemnification, contribution, exculpation, release or waiver that may be contrary to public policy or violative of federal or state securities laws, rules or regulations;

(e) I do not express any opinion with respect to the enforceability of any provision of any Transaction Agreement to the extent that such section purports to bind any Opinion Party to the exclusive jurisdiction of any particular federal court or courts;

(f) I call to your attention that irrespective of the agreement of the parties to any Transaction Agreement, a court may decline to hear a case on grounds of forum non conveniens or other doctrine limiting the availability of such court as a forum for resolution of disputes; in addition, I call to your attention that I do not express any opinion with respect to the subject matter jurisdiction of the federal courts of the United States of America in any action arising out of or relating to any Transaction Agreement;

(g) I have assumed that the choice of New York law to govern the Indenture, any supplemental indenture thereto and the Guarantees is a valid and legal provision;

(h) I have assumed that the Indenture will be duly authorized, executed and delivered by the trustee in substantially the form reviewed by me, and that any Debt Securities and Warrants that may be issued will be manually authenticated, signed or countersigned, as the case may be, by duly authorized officers of any trustee and warrant agent, as the case may be;

(i) I do not express any opinion with respect to the enforceability of any provisions contained in the Offered Guarantees or the related Transaction Agreements to the extent that such provisions provide that the obligations of the Guarantors are absolute and unconditional irrespective of the enforceability or genuineness of the Indenture or the effect thereof on the opinions herein stated;

(j) I do not express any opinion with respect to the enforceability of any provision contained in the Offered Guarantees or the related Transaction Agreements to the extent that such provisions limit the obligation of the Guarantors under the Indenture or any right of contribution of any party with respect to the Offered Guarantees; and

(k) to the extent that any opinion relates to the enforceability of the choice of New York law and choice of New York forum provisions contained in any Transaction Agreement, the opinions stated herein are subject to the qualification that such enforceability may be subject to, in each case, (i) the exceptions and limitations in New York General Obligations Law sections 5-1401 and 5-1402 and (ii) principles of comity and constitutionality.

In addition, in rendering the foregoing opinions I have assumed that:

(a) each Non-Opinion Party (i) is duly incorporated or formed, as applicable, and is validly existing and in good standing, (ii) has requisite legal status and legal capacity under the laws of the jurisdiction of its organization or formation, as applicable, and (iii) has complied and will comply with all aspects of the laws of the jurisdiction of its organization or formation, as applicable, in connection with the transactions contemplated by, and the performance of its obligations under, the Transaction Agreements to which such Non-Opinion Party is a party;

(b) each Non-Opinion Party has the corporate or limited liability company, as applicable, power and authority to execute, deliver and perform all its obligations under each of the Transaction Agreements to which such Non-Opinion Party is a party;

(c) neither the execution and delivery by the Company and each Guarantor of the Transaction Agreements to which the Company or such Guarantor is a party nor the performance by the Company and such Guarantor of its obligations thereunder, including the issuance and sale of the applicable Securities: (i) conflicts or will conflict with the certificate of incorporation, certificate of formation, bylaws or limited liability company agreement, as applicable, or any other comparable organizational document of the Company or any Guarantor, (ii) constitutes or will constitute a violation of, or a default under, any lease, indenture, instrument or other agreement to which the Company or any Guarantor or its property is subject, (iii) contravened or will contravene any order or decree of any governmental authority to which the Company or any Guarantor or its property is subject, or (iv) violates or will violate any law, rule or regulation to which the Company or any Guarantor or its property is subject (except that I do not make the assumption set forth in this clause (iv) with respect to the Opined-on Law); and

(d) neither the execution and delivery by the Company or any Guarantor of the Transaction Agreements to which the Company or such Guarantor is a party nor the performance by the Company and such Guarantor of its obligations thereunder, including the issuance and sale of the applicable Securities, requires or will require the consent, approval, licensing or authorization of, or any filing, recording or registration with, any governmental authority under any law, rule or regulation of any jurisdiction.

I hereby consent to the use of my name under the heading "Legal Matters" in the prospectus forming part of the Registration Statement. I also hereby consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement. In giving this consent, I do not thereby admit that I am within the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations. This opinion is expressed as of the date hereof unless otherwise expressly stated, and I disclaim any undertaking to advise you of any subsequent changes in the facts stated or assumed herein or of any subsequent changes in applicable laws.

Very truly yours,

/s/ Charles E. Baker

Re: Ball Corporation
Registration Statement on Form S-3

Dear Mr. Baker:

I am Assistant General Counsel of Ball Corporation, an Indiana corporation (the "Company"), and have acted as counsel to the Company in connection with the automatic registration statement on Form S-3 (the "Registration Statement") to be filed on the date hereof by the Company and the guarantors listed on Schedule I hereto (collectively, the "Guarantors") with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"). The Registration Statement relates to the issuance and sale by the Company from time to time, pursuant to Rule 415 of the General Rules and Regulations of the Commission promulgated under the Securities Act (the "Rules and Regulations"): (i) shares of common stock, without par value, of the Company ("Common Stock"); (ii) shares of the preferred stock, without par value, of the Company ("Preferred Stock"), which may be issued in one or more series; (iii) debt securities of the Company ("Debt Securities"), which may be issued in one or more series under the Indenture, dated as of November 27, 2015 (the "Indenture"), by and between the Company and Deutsche Bank Trust Company Americas, as trustee (the "Trustee"), which is filed as an exhibit to the Registration Statement; (iv) warrants to purchase shares of Common Stock, shares of Preferred Stock or Debt Securities ("Warrants"), which may be issued pursuant to one or more warrant agreements (each, a "Warrant Agreement") proposed to be entered into by the Company and one or more warrant agents to be named therein and (v) such indeterminate number of shares of Common Stock or Preferred Stock and indeterminate amount of Debt Securities as may be issued upon conversion, exchange or exercise, as applicable, of any Preferred Stock, Debt Securities or Warrants, including such shares of Common Stock or Preferred Stock as may be issued pursuant to anti-dilution adjustments determined at the time of offering (collectively, "Indeterminate Securities"). The Registration Statement also relates to the issuance and sale from time to time by the Guarantors of guarantees of the Debt Securities (the "Guarantees"). The Common Stock, Preferred Stock, Debt Securities, Warrants, Indeterminate Securities and the Guarantees offered pursuant to the Registration Statement are collectively referred to herein as the "Securities."

This opinion is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act.

In rendering the opinions stated herein, I have examined and relied upon the following:

- (a) the Registration Statement;
 - (b) an executed copy of the Indenture;
 - (c) a copy of the amended articles of incorporation of the Company, as amended (the "Articles") and of the other Opinion Party, as certified by the Secretary of State of the State of Indiana ;
 - (d) a copy of the bylaws of the Company (the "Bylaws") and of the other Opinion Party, as amended and in effect as of the date hereof;
 - (e) a copy of certain resolutions adopted by the board of directors or other governing body, as applicable, of each Opinion Party relating to the Registration Statement and the registration of the Securities and related matters; and
 - (f) a specimen certificate evidencing the Common Stock.
-

I have also examined originals or copies, certified or otherwise identified to my satisfaction, of such records of the Company and the Guarantors and such agreements, certificates and receipts of public officials, certificates of officers or other representatives of the Company and the Guarantors and others, and such other documents as I have deemed necessary or appropriate as a basis for the opinions stated below.

In my examination, I have assumed the genuineness of all signatures including endorsements, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as facsimile, electronic, certified or photostatic copies, and the authenticity of the originals of such copies. As to any facts relevant to the opinions stated herein that I did not independently establish or verify, I have relied upon statements and representations of officers and other representatives of the Company and the Guarantors and others and of public officials.

My opinions set forth below are limited to the corporate laws of the States of Indiana and those laws of the State of New York that, in my experience, are normally applicable to transactions of the type contemplated by the Indenture and the Registration Statement (all of the foregoing being referred to as "Opined on Law"). I am a member of the Bar in the State of Indiana, and I have relied as to matters of New York law on the opinion of Skadden, Arps, Slate, Meagher & Flom LLP dated the date hereof and to be filed as Exhibit 5.3 to the Registration Statement.

As used herein, (i) "Opinion Parties" means the Company and the Guarantor listed on Schedule II hereto and "Non-Opinion Party" means each of the Guarantors listed on Schedule III hereto and (ii) "Transaction Agreements" means the Indenture and the supplemental indentures thereto, the Guarantees and the Warrant Agreements.

The opinions stated in paragraphs 1 through 5 below presume that all of the following (collectively, the "general conditions") shall have occurred prior to the issuance of the Securities referred to therein: (i) the Registration Statement, as finally amended (including all necessary post-effective amendments) has become effective under the Securities Act; (ii) an appropriate prospectus supplement or term sheet with respect to such Securities has been prepared, delivered and filed in compliance with the Securities Act and the applicable Rules and Regulations; (iii) the applicable Transaction Agreements shall have been duly authorized, executed and delivered by the Company and the other parties thereto, including, if such Securities are to be sold or otherwise distributed pursuant to a firm commitment underwritten offering, the underwriting agreement or purchase agreement with respect thereto; (iv) the Board of Directors of the Company and similar governing body of the Guarantors, including any duly authorized committee thereof, shall have taken all necessary corporate action to approve the issuance and sale of such Securities and related matters, and appropriate officers of the Company and the Guarantors have taken all related action as directed by or under the direction of the Board of Directors of the Company or similar governing body of the Guarantors, as the case may be; and (v) the terms of the applicable Transaction Agreements and the issuance and sale of such Securities have been duly established in conformity with the certificate of incorporation of the Company and organization documents of the Guarantors, as applicable so as not to violate any applicable law, the certificate of incorporation of the Company or the bylaws of the Company or organizational documents of the Guarantor, or result in a default under or breach of any agreement or instrument binding upon the Company or the Guarantors, as the case may be, and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company.

Based upon the foregoing and subject to the qualifications and assumptions stated herein, I am of the opinion that:

(1) With respect to any series of Debt Securities offered by the Company, including any Indeterminate Securities constituting Debt Securities of such series (the “Offered Debt Securities”), when (a) the general conditions shall have been satisfied, (b) the issuance, sale and terms of the Offered Debt Securities and related matters have been approved and established in conformity with the applicable Transaction Agreements and (c) the certificates evidencing the Offered Debt Securities have been issued in a form that complies with the provisions of the applicable Transaction Agreements and have been duly executed and authenticated in accordance with the provisions of the Indenture and any other applicable Transaction Agreements and issued and sold or otherwise distributed in accordance with the provisions of the applicable Transaction Agreement upon payment of the agreed upon consideration therefor, the Offered Debt Securities will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms under the laws of the State of New York.

(2) With respect to any Guarantee of any series of Offered Debt Securities, including any Guarantee of any Indeterminate Securities constituting Offered Debt Securities of such series (the “Offered Guarantees”), when (a) the general conditions shall have been satisfied, (b) the issuance, sale and terms of the Offered Guarantees and related matters have been approved and established in conformity with the applicable Transaction Agreements, (c) certificates (if any) evidencing the Offered Guarantees and the certificates evidencing the Debt Securities guaranteed thereby have been duly executed and, if applicable, authenticated in accordance with the provisions of the Indenture and any other applicable Transaction Agreements and (d) such Debt Securities have been issued and sold or otherwise distributed in accordance with the provisions of the applicable Transaction Agreement upon payment of the agreed upon consideration therefor, the Offered Guarantees will constitute valid and binding obligations, of such Guarantor, enforceable against such Guarantor in accordance with their respective terms under the laws of the State of New York.

(3) With respect to any shares of Common Stock offered by the Company, including any Indeterminate Securities constituting Common Stock (the “Offered Common Shares”), when (a) the general conditions shall have been satisfied and (b) certificates in the form required under the Indiana Business Corporation Law, as amended (the “IBCL”), representing the Offered Common Shares are duly executed, countersigned, registered and delivered upon payment of the agreed-upon consideration therefor, the Offered Common Shares (including any shares of Common Stock duly issued upon conversion, exchange or exercise of any Securities), when issued and sold in accordance with the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding purchase or agency agreement, will be duly authorized, validly issued, fully paid and nonassessable, provided that the consideration therefor is not less than the par value thereof, if any. In rendering the opinion set forth in this Paragraph 3, I have assumed that, at the time of issuance of any Offered Common Shares, (i) the Articles, the Bylaws and the IBCL shall not have been amended after the date hereof so as to affect the validity of such issuance and (ii) there shall be sufficient shares of Common Stock authorized under the Articles (as then in effect) and not otherwise reserved for issuance.

(4) With respect to the shares of any series of Preferred Stock offered by the Company, including any Indeterminate Securities constituting shares of Preferred Stock of such series (the “Offered Preferred Shares”), when (a) the general conditions shall have been satisfied, (b) the Board of Directors of the Company, including any appropriate committee appointed thereby, and appropriate officers of the Company have taken all necessary corporate action to adopt articles of amendment to the Articles for such Offered Preferred Shares (the “Designation Amendment”) in accordance with the applicable provisions of the IBCL; (c) the filing of the Designation Amendment with the Secretary of State of the State of Indiana has duly occurred; (d) the terms of the Offered Preferred Shares and of their issuance and sale have been duly established in conformity with the Articles (as then in effect), including the Designation Amendment relating to the Offered Preferred Shares, and the Bylaws (as then in effect); and (e) certificates in the form required under the IBCL representing the Offered Preferred Shares are duly executed, countersigned, registered and delivered upon payment of the agreed-upon consideration therefor, the Offered Preferred Shares (including any shares of Preferred Stock duly issued upon conversion, exchange or exercise of any Securities), when issued and sold in accordance with the applicable underwriting agreement, if any, or any other duly authorized, executed and delivered valid and binding purchase or agency agreement, will be duly authorized, validly issued, fully paid and nonassessable, provided that the consideration therefor is not less than the par value thereof, if any. In rendering the opinion set forth in this Paragraph 4, I have assumed that, at the time of issuance of any Offered Preferred Shares, (i) the Articles, the Bylaws and the IBCL shall not have been amended after the date hereof so as to affect the validity of such issuance and (ii) there shall be sufficient shares of Preferred Stock authorized under the Articles (as then in effect) and not otherwise reserved for issuance.

(5) With respect to any Warrants offered by the Company (the “Offered Warrants”), when (a) the general conditions shall have been satisfied, (b) the Common Stock, Preferred Stock and/or Debt Securities for which the Offered Warrants are exercisable have been duly authorized for issuance by the Company and (c) certificates evidencing the Offered Warrants have been duly executed, delivered and countersigned in accordance with the provisions of the applicable Warrant Agreement, the Offered Warrants, when issued and sold or otherwise distributed in accordance with the provisions of the applicable Transaction Agreement upon payment of the agreed upon consideration therefor, will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms under the laws of the State of New York.

The opinions stated herein are subject to the following qualifications:

- (a) the opinions stated herein are limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer, preference and other similar laws affecting creditors' rights generally, and by general principles of equity (regardless of whether enforcement is sought in equity or at law);
- (b) I do not express any opinion with respect to any law, rule or regulation that is applicable to any party to any of the Transaction Agreements or the transactions contemplated thereby solely because such law, rule or regulation is part of a regulatory regime applicable to any such party or any of its affiliates as a result of the specific assets or business operations of such party or such affiliates;
- (c) except to the extent expressly stated in the opinions contained herein, I have assumed that each of the Transaction Agreements constitutes the valid and binding obligation of each party to such Transaction Agreement, enforceable against such party in accordance with its terms;
- (d) I do not express any opinion with respect to the enforceability of any provision contained in any Transaction Agreement relating to any indemnification, contribution, exculpation, release or waiver that may be contrary to public policy or violative of federal or state securities laws, rules or regulations;
- (e) I do not express any opinion with respect to the enforceability of any provision of any Transaction Agreement to the extent that such section purports to bind any Opinion Party to the exclusive jurisdiction of any particular federal court or courts;
- (f) I call to your attention that irrespective of the agreement of the parties to any Transaction Agreement, a court may decline to hear a case on grounds of forum non conveniens or other doctrine limiting the availability of such court as a forum for resolution of disputes; in addition, I call to your attention that I do not express any opinion with respect to the subject matter jurisdiction of the federal courts of the United States of America in any action arising out of or relating to any Transaction Agreement;
- (g) I have assumed that the choice of New York law to govern the Indenture, any supplemental indenture thereto and the Guarantees is a valid and legal provision;
- (h) I have assumed that the Indenture will be duly authorized, executed and delivered by the trustee in substantially the form reviewed by me, and that any Debt Securities and Warrants that may be issued will be manually authenticated, signed or countersigned, as the case may be, by duly authorized officers of any trustee and warrant agent, as the case may be;
- (i) I do not express any opinion with respect to the enforceability of any provisions contained in the Offered Guarantees or the related Transaction Agreements to the extent that such provisions provide that the obligations of the Guarantors are absolute and unconditional irrespective of the enforceability or genuineness of the Indenture or the effect thereof on the opinions herein stated;
- (j) I do not express any opinion with respect to the enforceability of any provision contained in the Offered Guarantees or the related Transaction Agreements to the extent that such provisions limit the obligation of the Guarantors under the Indenture or any right of contribution of any party with respect to the Offered Guarantees; and
- (k) to the extent that any opinion relates to the enforceability of the choice of New York law and choice of New York forum provisions contained in any Transaction Agreement, the opinions stated herein are subject to the qualification that such enforceability may be subject to, in each case, (i) the exceptions and limitations in New York General Obligations Law sections 5-1401 and 5-1402 and (ii) principles of comity and constitutionality.

In addition, in rendering the foregoing opinions I have assumed that:

(a) each Non-Opinion Party (i) is duly incorporated or formed, as applicable, and is validly existing and in good standing, (ii) has requisite legal status and legal capacity under the laws of the jurisdiction of its organization or formation, as applicable, and (iii) has complied and will comply with all aspects of the laws of the jurisdiction of its organization or formation, as applicable, in connection with the transactions contemplated by, and the performance of its obligations under, the Transaction Agreements to which such Non-Opinion Party is a party;

(b) each Non-Opinion Party has the corporate or limited liability company, as applicable, power and authority to execute, deliver and perform all its obligations under each of the Transaction Agreements to which such Non-Opinion Party is a party;

(c) neither the execution and delivery by the Company and each Guarantor of the Transaction Agreements to which the Company or such Guarantor is a party nor the performance by the Company and such Guarantor of its obligations thereunder, including the issuance and sale of the applicable Securities: (i) conflicts or will conflict with the certificate of incorporation, certificate of formation, bylaws or limited liability company agreement, as applicable, or any other comparable organizational document of the Company or any Guarantor, (ii) constitutes or will constitute a violation of, or a default under, any lease, indenture, instrument or other agreement to which the Company or any Guarantor or its property is subject, (iii) contravened or will contravene any order or decree of any governmental authority to which the Company or any Guarantor or its property is subject, or (iv) violates or will violate any law, rule or regulation to which the Company or any Guarantor or its property is subject (except that I do not make the assumption set forth in this clause (iv) with respect to the Opined-on Law); and

(d) neither the execution and delivery by the Company or any Guarantor of the Transaction Agreements to which the Company or such Guarantor is a party nor the performance by the Company and such Guarantor of its obligations thereunder, including the issuance and sale of the applicable Securities, requires or will require the consent, approval, licensing or authorization of, or any filing, recording or registration with, any governmental authority under any law, rule or regulation of any jurisdiction.

I understand that you intend to rely on this opinion for purposes of rendering an opinion in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act, which opinion will be filed with the Commission as Exhibit 5.1 to the Registration Statement. I hereby consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement. In giving this consent, I do not thereby admit that I am within the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations. This opinion is expressed as of the date hereof unless otherwise expressly stated, and I disclaim any undertaking to advise you of any subsequent changes in the facts stated or assumed herein or of any subsequent changes in applicable laws.

Re: Ball Corporation
Registration Statement on Form S-3

Ladies and Gentlemen:

We have acted as special counsel to Ball Corporation, an Indiana corporation (the "Company"), in connection with the automatic registration statement on Form S-3 (the "Registration Statement") to be filed on the date hereof by the Company and the guarantors listed on Schedule I hereto (collectively, the "Guarantors") with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933 (the "Securities Act"). The Registration Statement relates to the issuance and sale by the Company from time to time, pursuant to Rule 415 of the General Rules and Regulations of the Commission promulgated under the Securities Act (the "Rules and Regulations"), of (i) shares of common stock, without par value, of the Company ("Common Stock"); (ii) shares of preferred stock, without par value, of the Company ("Preferred Stock"), which may be issued in one or more series; (iii) debt securities of the Company ("Debt Securities"), which may be issued in one or more series under the Indenture, dated as of November 27, 2015 (the "Indenture"), between the Company and Deutsche Bank Trust Company Americas, as trustee, which is filed as an exhibit to the Registration Statement; (iv) warrants to purchase shares of Common Stock, shares of Preferred Stock or Debt Securities ("Warrants"), which may be issued pursuant to one or more warrant agreements (each, a "Warrant Agreement") proposed to be entered into by the Company and one or more warrant agents to be named therein; and (v) such indeterminate number of shares of Common Stock or Preferred Stock and indeterminate amount of Debt Securities as may be issued upon conversion, exchange or exercise, as applicable, of any Preferred Stock, Debt Securities or Warrants, including such shares of Common Stock or Preferred Stock as may be issued pursuant to anti-dilution adjustments determined at the time of offering (collectively, "Indeterminate Securities"). The Registration Statement also relates to the sale of shares of Common Stock from time to time by certain shareholders of the Company to be named in a prospectus supplement pursuant to Rule 415 of the Rules and Regulations (such shares of Common Stock, "Secondary Shares"), and the issuance and sale from time to time by the Guarantors of guarantees of the Debt Securities ("Guarantees"). The Common Stock, Preferred Stock, Debt Securities, Warrants, Indeterminate Securities, Secondary Shares and the Guarantees offered pursuant to the Registration Statement are collectively referred to herein as the "Securities."

This opinion is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act.

In rendering the opinions stated herein, we have examined and relied upon the following:

- (a) the Registration Statement;
 - (b) an executed copy of the Indenture;
 - (c) an executed copy of a certificate for each Opinion Party (as defined below) of the Secretary or Assistant Secretary of each Opinion Party, dated the date hereof (collectively, the "Secretary's Certificates");
 - (d) a copy of the articles of incorporation of each of the Opinion Parties that are corporations, as certified by the Secretary of State of the State of Delaware as of March 3, 2021, and certified pursuant to the Secretary's Certificates, as applicable;
 - (e) a copy of the bylaws of each of the Opinion Parties that are corporations, as amended and in effect as of the date hereof, and certified pursuant to the Secretary's Certificates, as applicable;
 - (f) a copy of the certificate of formation of each of the Opinion Parties that are limited liability companies, as certified by the Secretary of State of the State of Delaware as of March 3, 2021, and certified pursuant to the Secretary's Certificates, as applicable; and
-

(g) a copy of the limited liability company agreement or operating agreement of each of the Opinion Parties that are limited liability companies, as amended and in effect as of the date hereof (each, an “LLC Agreement”), and certified pursuant to the Secretary’s Certificates.

We have also examined originals or copies, certified or otherwise identified to our satisfaction, of such records of the Company and the Guarantors and such agreements, certificates and receipts of public officials, certificates of officers or other representatives of the Company and the Guarantors and others, and such other documents as we have deemed necessary or appropriate as a basis for the opinions stated below.

In our examination, we have assumed the genuineness of all signatures, including electronic signatures, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as facsimile, electronic, certified or photostatic copies, and the authenticity of the originals of such copies. As to any facts relevant to the opinions stated herein that we did not independently establish or verify, we have relied upon statements and representations of officers and other representatives of the Company and the Guarantors and others and of public officials, including those in the Secretary’s Certificates.

We do not express any opinion with respect to the laws of any jurisdiction other than (i) the laws of the State of New York, (ii) the General Corporation Law of the State of Delaware (the “DGCL”) and (iii) the Delaware Limited Liability Company Act (the “DLLCA”) (all of the foregoing being referred to as “Opined on Law”). Charles E. Baker, Vice President, General Counsel and Corporate Secretary of the Company, and Todd A. Mikesell, Assistant General Counsel of the Company, may rely on this opinion in rendering their respective opinions each to be dated the date hereof and filed as Exhibits 5.1 and 5.2, respectively, to the Registration Statement.

As used herein, (i) “Opinion Parties” means each of the Guarantors listed on Schedule II hereto and “Non-Opinion Party” means the Company and each of the Guarantors listed on Schedule III hereto and (ii) “Transaction Documents” means the Indenture and the supplemental indentures thereto, the Guarantees and the Warrant Agreements.

The opinions stated in paragraphs 1 through 3 below presume that all of the following (collectively, the “general conditions”) shall have occurred prior to the issuance of the Securities referred to therein: (i) the Registration Statement, as finally amended (including all necessary post-effective amendments) has become effective under the Securities Act; (ii) an appropriate prospectus supplement or term sheet with respect to such Securities has been prepared, delivered and filed in compliance with the Securities Act and the applicable Rules and Regulations; (iii) the applicable Transaction Documents shall have been duly authorized, executed and delivered by the Company and the other parties thereto, including, if such Securities are to be sold or otherwise distributed pursuant to a firm commitment underwritten offering, the underwriting agreement or purchase agreement with respect thereto; (iv) the Board of Directors of the Company and similar governing body of the Guarantors, including any duly authorized committee thereof, shall have taken all necessary corporate action to approve the issuance and sale of such Securities and related matters, and appropriate officers of the Company and the Guarantors have taken all related action as directed by or under the direction of the Board of Directors of the Company or similar governing body of the Guarantors, as the case may be; and (v) the terms of the applicable Transaction Documents and the issuance and sale of such Securities have been duly established in conformity with the certificate of incorporation of the Company and organization documents of the Guarantors, as applicable so as not to violate any applicable law, the certificate of incorporation of the Company or the bylaws of the Company or organizational documents of the Guarantor, or result in a default under or breach of any agreement or instrument binding upon the Company or the Guarantors, as the case may be, and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company.

Based upon the foregoing and subject to the qualifications and assumptions stated herein, we are of the opinion that:

1. With respect to any series of Debt Securities offered by the Company, including any Indeterminate Securities constituting Debt Securities of such series (the “Offered Debt Securities”), when (a) the general conditions shall have been satisfied, (b) the issuance, sale and terms of the Offered Debt Securities and related matters have been approved and established in conformity with the applicable Transaction Documents and (c) the certificates evidencing the Offered Debt Securities have been issued in a form that complies with the provisions of the applicable Transaction Documents and have been duly executed and authenticated in accordance with the provisions of the Indenture and any other applicable Transaction Documents and issued and sold or otherwise distributed in accordance with the provisions of the applicable Transaction Document upon payment of the agreed upon consideration therefor, the Offered Debt Securities will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms under the laws of the State of New York.

2. With respect to any Guarantee of any series of Offered Debt Securities, including any Guarantee of any Indeterminate Securities constituting Offered Debt Securities of such series (the "Offered Guarantees"), when (a) the general conditions shall have been satisfied, (b) the issuance, sale and terms of the Offered Guarantees and related matters have been approved and established in conformity with the applicable Transaction Documents, (c) certificates (if any) evidencing the Offered Guarantees and the certificates evidencing the Debt Securities guaranteed thereby have been duly executed and, if applicable, authenticated in accordance with the provisions of the Indenture and any other applicable Transaction Documents and (d) such Debt Securities have been issued and sold or otherwise distributed in accordance with the provisions of the applicable Transaction Document upon payment of the agreed upon consideration therefor, the Offered Guarantees will constitute valid and binding obligations, of such Guarantor, enforceable against such Guarantor in accordance with their respective terms under the laws of the State of New York.

3. With respect to any Warrants offered by the Company (the "Offered Warrants"), when (a) the general conditions shall have been satisfied, (b) the Common Stock, Preferred Stock and/or Debt Securities for which the Offered Warrants are exercisable have been duly authorized for issuance by the Company and (c) certificates evidencing the Offered Warrants have been duly executed, delivered and countersigned in accordance with the provisions of the applicable Warrant Agreement, the Offered Warrants, when issued and sold or otherwise distributed in accordance with the provisions of the applicable Transaction Document upon payment of the agreed upon consideration therefor, will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms under the laws of the State of New York.

The opinions stated herein are subject to the following qualifications:

(a) we do not express any opinion with respect to the effect on the opinions stated herein of any bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer, preference and other similar laws affecting creditors' rights generally, and the opinions stated herein are limited by such laws and by general principles of equity (regardless of whether enforcement is sought in equity or at law);

(b) we do not express any opinion with respect to any law, rule or regulation that is applicable to any party to any of the Transaction Documents or the transactions contemplated thereby solely because such law, rule or regulation is part of a regulatory regime applicable to any such party or any of its affiliates as a result of the specific assets or business operations of such party or such affiliates;

(c) except to the extent expressly stated in the opinions contained herein, we have assumed that each of the Transaction Documents constitutes the valid and binding obligation of each party to such Transaction Document, enforceable against such party in accordance with its terms;

(d) we do not express any opinion with respect to the enforceability of any provision contained in any Transaction Document relating to any indemnification, contribution, non-reliance, exculpation, release, limitation or exclusion of remedies, waiver or other provisions having similar effect that may be contrary to public policy or violative of federal or state securities laws, rules or regulations, or to the extent any such provision purports to, or has the effect of, waiving or altering any statute of limitations;

(e) we do not express any opinion with respect to the enforceability of any provision of any Transaction Document to the extent that such section purports to bind any Opinion Party to the exclusive jurisdiction of any particular federal court or courts;

(f) we call to your attention that irrespective of the agreement of the parties to any Transaction Document, a court may decline to hear a case on grounds of forum non conveniens or other doctrine limiting the availability of such court as a forum for resolution of disputes; in addition, we call to your attention that we do not express any opinion with respect to the subject matter jurisdiction of the federal courts of the United States of America in any action arising out of or relating to any Transaction Document;

(g) we have assumed that the choice of New York law to govern the Indenture, any supplemental indenture thereto and the Guarantees is a valid and legal provision;

(h) we do not express any opinion with respect to the enforceability of any provisions contained in the Offered Guarantees or the related Transaction Documents to the extent that such provisions provide that the obligations of the Guarantors are absolute and unconditional irrespective of the enforceability or genuineness of the Indenture or the effect thereof on the opinions herein stated;

(i) we do not express any opinion with respect to the enforceability of any provisions contained in the Offered Guarantees or the related Transaction Documents to the extent that such provisions limit the obligation of the Guarantors under the Indenture or any right of contribution of any party with respect to the Offered Guarantees; and

(j) to the extent that any opinion relates to the enforceability of the choice of New York law and choice of New York forum provisions contained in any Transaction Document, the opinions stated herein are subject to the qualification that such enforceability may be subject to, in each case, (i) the exceptions and limitations in New York General Obligations Law sections 5-1401 and 5-1402 and (ii) principles of comity and constitutionality.

In addition, in rendering the foregoing opinions we have assumed that:

(a) the Company and each Non-Opinion Party (i) is duly incorporated or formed, as applicable, and is validly existing and in good standing, (ii) has requisite legal status and legal capacity under the laws of the jurisdiction of its organization or formation, as applicable, and (iii) has complied and will comply with all aspects of the laws of the jurisdiction of its organization or formation, as applicable, in connection with the transactions contemplated by, and the performance of its obligations under, the Transaction Documents to which the Company or such Non-Opinion Party is a party;

(b) the Company and each Non-Opinion Party has the corporate or limited liability company, as applicable, power and authority to execute, deliver and perform all its obligations under each of the Transaction Documents to which the Company or such Non-Opinion Party is a party;

(c) neither the execution and delivery by the Company and each Guarantor of the Transaction Documents to which the Company or such Guarantor is a party nor the performance by the Company and such Guarantor of its obligations thereunder, including the issuance and sale of the applicable Securities: (i) conflicts or will conflict with the certificate of incorporation, certificate of formation, bylaws or limited liability company agreement, as applicable, or any other comparable organizational document of the Company or any Guarantor, (ii) constitutes or will constitute a violation of, or a default under, any lease, indenture, instrument or other agreement to which the Company or any Guarantor or its property is subject, (iii) contravened or will contravene any order or decree of any governmental authority to which the Company or any Guarantor or its property is subject, or (iv) violates or will violate any law, rule or regulation to which the Company or any Guarantor or its property is subject (except that we do not make the assumption set forth in this clause (iv) with respect to the Opined on Law); and

(d) neither the execution and delivery by the Company or any Guarantor of the Transaction Documents to which the Company or such Guarantor is a party nor the performance by the Company and such Guarantor of its obligations thereunder, including the issuance and sale of the applicable Securities, requires or will require the consent, approval, licensing or authorization of, or any filing, recording or registration with, any governmental authority under any law, rule or regulation of any jurisdiction.

We hereby consent to the reference to our firm under the heading "Legal Matters" in the prospectus forming part of the Registration Statement. We also hereby consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement. In giving this consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations. This opinion is expressed as of the date hereof unless otherwise expressly stated, and we disclaim any undertaking to advise you of any subsequent changes in the facts stated or assumed herein or of any subsequent changes in applicable laws.
