<b>Change of Control Repurchase Event:</b>	If a Change of Control Repurchase Event occurs for the Notes, unless Ball has exercised its right to redeem the Notes within 60 days after the Change of Control, Ball will make an offer to each holder of the Notes to repurchase all or any part of that holder's Notes at a repurchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased to, but excluding, the date of repurchase.
<b>Trade Date:</b>	November 9, 2022
<b>Settlement Date:</b>	November 25, 2022 (T+10)
	Ball expects that delivery of the Notes will be made against payment therefor on or about the tenth business day following the date of confirmation of orders with respect to the Notes (this settlement cycle being referred to as "T+10"). Under Rule 15c6-1 of the U.S. Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in two business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Notes prior to the delivery of the Notes will be required, by virtue of the fact that the Notes initially will settle T+10, to specify an alternative settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of the Notes who wish to trade the Notes prior to their date of delivery should consult their own advisors.
<b>Use of Proceeds:</b>	Ball intends to use the net proceeds from this offering to repay approximately \$528 million in principal amount of the its outstanding 4.375% Euro denominated Senior Notes, plus any premium and accrued and unpaid interest, on or before their maturity in December 2023 and approximately \$200 million in outstanding borrowings under its U.S. dollar revolving credit facility, with a reduction in commitment. The exact allocation of such proceeds and the time thereof is at the discretion of Ball's management.
